CONSTITUTION

Revised 1975

Article I. NAME

This body shall be known as the Yates Baptist Association of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist churches in

Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement from "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian Faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Article IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and adjacent territories and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. When not in session this Association shall be comprised of its member churches which shall elect members to the Associational Board in accordance to Article X.

Section 2. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified in the following ratio:

(1) Three for the first hundred members or fraction thereof, and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Section 3. Only individuals who are baptized (immersed) believers and members of churches of this Association shall be seated as voting messengers at any Associational meeting.

Section 4. Churches seeking to seat messengers in the Association shall apply to the Missions Committee prior to the annual meeting of the Association, giving evidence of their faith and order and their agreement to be received under watchcare of the Association. Upon recommendation of the committee and the approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under watchcare of the Association for a period of one year. It is understood that during the period of watchcare of the Association such churches will be accorded all the services of the Association and all its privileges with the exception of the right to seat voting messengers and to voting representation on the Associational Board. At the end of the year of watchcare, the church or churches may, by a two-thirds vote of the Association, be received into full fellowship of the Association or continue under watchcare or have the request for fellowship rejected. Upon admission to full fellowship, the church or churches fellowship rejected. Upon admission to full fellowship, the church or churches shall be authorized to seat duly elected messengers with voting privileges and voting members on the Associational Board.

Section 5. The Association shall have the power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists, or that fails to represent itself either by messenger or letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

Section 6. Any church may decline to send messengers to the Association at its pleasure. Whenever this constitutes a withdrawal of fellowship on the part of the church, the Association shall not as a body, or through a representative or representatives, seek to restrain by coercion or law the withdrawal action of the church.

HISTORY OF HOMESTEAD HEIGHTS BAPTIST CHURCH

In October, 1959, the Yates Baptist Association approved the beginning of mission work in an area north of Durham. After a canvass of the area showed a definite interest, the work was begun on May 16, 1961, with Grace Baptist Church being the sponsoring church, without financial obligations.

The association purchased a tract of land at the intersection of Duke Homestead Road and Carver Street which was deeded to the local church. The property consisted of three and one-half acres of land and two small houses; one used as a Prayer House and the other as the parsonage. Sunday worship services were held at Holt School until the church erected its first building.

The Reverend Henry B. Anderson, pastor of Grace Church, brought the first sermon on June 4, 1961. A business session followed and the Grace Baptist Mission came into being with 28 members. The Sunday School was organized on June 11 with an enrollment of 44. There was one class for men, one for women, and classes for primaries, juniors, intermediates, as well as nursery facilities.

The Reverend Samuel M. James served as interim pastor from September, 1961, until July 3, 1962, at which time he and his family were sent to Viet Nam by the Foreign Mission Board.

On March 4, 1962, the Grace Baptist Mission became the Homestead Heights Baptist Church, with 91 charter members. Dr. Lowell Spivey, Secretary of Missions for the Baptist State Convention, delivered the message. The Girls' Auxiliary organization was started on September 6, 1961; Woman's Missionary Society on February 25, 1962; Training Union on October 8, 1962; and Royal Ambassadors in October, 1962.

September 16, 1962, the Reverend Oswald M. Burckhalter became the first permanent pastor of the church which had a membership of 114 at that time.

In 1963, the church sold its Carver Street property and purchased 12 acres adjacent to Holt School. Ground-breaking ceremonies were held on September 8, 1963, with Mr. Clyde Davis, State Brotherhood Secretary, bringing the morning message. During the construction period the church outgrew the planned one-story building and the members voted to add the second floor.

The first services were held in the new building on March 22, 1964, with the pastor, Reverend Burckhalter, preaching and arecord attendance of 186 in Sunday School. On April 12 the first unit was dedicated, along with laying of its cornerstone. The membership had grown to 155 and a record attendance of 201 were present in Sunday School on this day.

The Brotherhood was organized on October 18, 1964, with 18 men attending and J. W. Warren as its president. The first Youth Week was observed in May, 1965. C. B. Tart, Jr., served as Youth Pastor. The first organ was a gift from Radio Station WDNC. Mrs. Melvin Blalock and Mrs. Mary Whaley were the first ladies to hold offices in the associational organization.

The Reverend Ray L. Cumbee, present pastor, came to the church on March 1, 1967, after the resignation of Reverend Burckhalter on July 17, 1966. The first music director, Mr. Joseph McGugan, was called on March 1, 1968. Mr. Joe Errington, a student at Duke University, began work in October, 1961, as the first minister of youth.

A "Together We Build" program was approved on November 13, 1968, and under the leadership of Richard Smith of the Church Planning Department of the N. C. Baptist State Convention, plans were launched to finance and build a chapel and additional education building.

Ground-breaking services were held on November 2, 1969, and the new chapel, seating 320, was dedicated in August, 1970. In the early part of 1976, the church voted to erect an all-purpose building in lieu of an educational unit. This building, the "O. V. Garris, Jr., Family Life Center", was dedicated on Sunday, September 19, 1976.

Mr. Mitchell (Mitch) Simpson, a graduate student in the Duke University School, was called as the first part-time minister of youth and music on October 16, 1973. Upon his ordination in May, 1976, he became the first associate pastor of the church.

In 14½ years of witnessing and serving, the church has reached a membership of 374, with 337 enrolled in Sunday School, and a budget for 1976 in the amount of $61,245.00. With a deepening spiritual dedication, the church looks forward to the future with a broadening vision of service to this rapidly expanding area of Durham and Durham County.

HISTORY OF FIELDCREST BAPTIST CHURCH

Following a successful community census and the compilation of results, the Holloway Street Baptist Missions Committee was formed by Holloway Street Baptist Church. From March 17, 1958, to April 25, 1958, cottage prayer meetings were held each Thursday night in the community and the final result was the beginning of a revival meeting, under the same tent from which the mother church had been founded, at the corner of Ferrell Road and Colclough Street. After one week of revival services led by Reverend Jack Wilder, pastor of the Holloway Street Baptist Church, the Baptist mission had a total of 18 members. The revival meeting continued another week.

During the second business meeting on May 13, 1958, a committee was elected to find a permanent location for the mission. The property at 594 Ferrell Road was later purchased. At this time it was called "Ferrell Road Baptist Mission". On July 17, 1958, Hunter Hobgood was elected mission pastor. Service of pastoral ordination for Hunter Garland Hobgood was held February 1, 1959, at the Holloway Street Baptist Church.

The mission later sold their property and moved to the log cabin at Glenn School. In May, 1959, the mission brought a recommendation to purchase a tract of land consisting of five acres from Mrs. Fannie Norris. A letter was sent to mission members explaining that the word "chapel" would be appropriate only after the mission were named, and the word "church" would be appropriate only after the mission were constituted as a church. Three names were considered, "Fieldcrest Baptist Chapel", "Wayside Baptist Chapel", and "Green-acres Baptist Chapel". On October 21, 1959, Holloway Street Baptist Church released the chapel to assume responsibilities. A ground-breaking ceremony was held at the site of the present church on November 1, 1959.

In June, 1960, the Fieldcrest Baptist Chapel met for its first service in its new building. Resignation from Reverend Hobgood became effective February 26, 1961. Dr. T. A. Bland of Southeastern Seminary became interim pastor. Effective July 1, 1961, Reverend Harvey Beeler accepted a call as pastor. January 17, 1962, the first deacons were elected: Jack Hinton, George McLamb, Leon Weaver, and Royal Denton.

June 2, 1963, Reverend Beeler submitted his resignation and Reverend Wyatt Scott was elected as interim pastor. Due to illness of Reverend Scott, Reverend Paul Shipman was called as interim pastor and considered as regular pastor. On November 8, 1964, Reverend Shipman was called as pastor.

We became a church on October 17, 1965. The present church constitution was adopted October 16, 1966. Unit 2, with new inside bathrooms, fellowship hall, kitchen and five classrooms, was added to the church building in 1967. In January, 1969, Reverend Shipman resigned and Reverend Scott was elected interim pastor.

Reverend Winburn Davis came as pastor on March 9, 1972, and stayed until March 9, 1975. Reverend Burley W. Moore was called as pastor on March 23, 1975 and resigned on August 14, 1976. The church purchased a parsonage on Wishart Street in July, 1975. Reverend Hubert S. Mumford, Director of Missions of the Yates Association, began serving as interim pastor on August 22, 1976. Reverend Aubrey Jones, pastor of the mother church, preached at the eleventh homecoming on September 26, 1976.

At the close of this year, 1975, Fieldcrest Baptist Church has successfully remained what God wants us to be and through His faith we share a unique Christian fellowship.

REPORT OF THE ASSOCIATIONAL BOARD

Two meetings of the Board were held during 1976, with several of the Executive Committee and Council held between sessions of the Board. Reports and plans from the various committees and organizations were given at the meetings.

Matters given special attention and not listed elsewhere are reported below:

February 10 at Homestead Heights committees and organizations brought encouraging report. There were no matters of business upon which board members were requested to vote.

May 10 at Lowes Grove there were four items of business which were approved by members present.

1. The Nominations Committee brought names of several persons to fill positions in the associational organization;
2. The Finance Committee asked that Social Security funds for the Director of Missions be transferred to the Annuity Retirement fund;
3. The Camp Committee requested that George Ray, present chairman of this committee, be recommended to the annual meeting to assume a position as Camp Director, beginning in October;
4. The Associate Position Study Committee presented the following recommendation: "We, the Associate Position Study Committee, due to the lack of apparent interest in emphasizing a second staff person for Yates Association, and because of the inavailability of funds, recommend that we be disbanded as a committee. When sufficient interest is demonstrated, and funds are available, we recommend a new committee be formed to set up said guidelines."

Throughout this year the association has continued in a real out effort to have a concern for people and through the year has shown this by reaching out in the name of Christ. With the continuation of this deep concern much will be accomplished in our community. We must continue to be concerned about our "Brother".

Another year has closed with no differences of opinions. It has been a year filled with cooperation and willingness to accept the task assigned.

The Lord has been good to us. He has given us bright promises for the future. May we continue to be as "one", that we may finish the job that is before us.

Respectfully submitted,
Curtis Crutchfield, moderator

REPORT OF THE SUNDAY SCHOOL

The Associational Sunday School organization is a service organization and has no other purpose than to serve the needs of the churches, both large and small. Cooperatively we can do more than any of us can do separately.

Highlights of the year include the Central Training School at Grey Stone, March 22 and 23, with emphasis on the Guidance books. On March 5, Reverend Andy Anderson, author of the new and sensational ACTION plan was in our city and led a clinic which was quite challenging to those in attendance. A repeat clinic was held in the Grace Baptist Church on March 5, led by Reverend Burrell F. Lucas, state Sunday School Director. Interest is increasing and hundreds of churches across the convention are using the ACTION plan with spectacular results.

The annual Vacation Bible School Clinic was held in First Baptist Church on April 27. Associational Sunday School Leadership Night was held in the Park View Church on September 21, with emphasis upon Preparation Week and the new "Getting Ready" books.

There is increasing interest in Ridgecrest. This year at least four churches had ten or more workers in the various southwide leadership conferences.

With only about one-half of our churches participating, there is a need for pastors and Sunday School directors to become aware of and participate in the Associational Sunday School program, and to lead their churches to do likewise.

Respectfully submitted,
W. Edward Kissiah, director

REPORT OF CHURCH TRAINING

The Associational Church Training Department sponsored a Children's Bible Drill in May. Two churches participated and four children were eligible for the State Drill. For the coming year we anticipate better participation in this event.

Plans are being made for a "Training Extravaganza" featuring Dr. Grady Cothen, president of the Baptist Sunday School Board, as the final speaker. The purpose of this event is to present to churches some of the resources available to them to be used in training church members.

Respectfully submitted,
Nancy Hildebran, co-director

REPORT OF THE MUSIC COUNCIL

The Yates Association Music Council led in a very productive and multi-ministry program during the past year. Five major areas of music emphasis were divided among the Council.

These were as follows:

Area 1. ASSISTANCE FOR ALL MUSIC DIRECTORS AND MINISTERS OF MUSIC. Under the leadership of Mrs. Janet Whitaker and Mr. Mel Luther, the Council conducted four meetings of all ministers of music. These dealt with music selection, administering the music program and other vital areas concerning the ministry of music and the music program in the churches.

Area 2. A CITY—WIDE OUTREACH EFFORT. This area was developed under the direction of Mr. Denny Turner and Mrs. Jean Howerton who spearheaded the city-wide presentation of the musical "I Love America" on our nation's bicentennial on July 4. In connection with the City Recreation Department and the other churches in our area, approximately 400 singers and a 30 piece orchestra, under the direction of Mr. Geroge Archer, presented the musical in the Cameron Indoor Stadium of Duke University. Approximately 28 churches participated in the presentation with a total attendance of 7,500 for the performance.

Area 3. MUSIC CLINIC FOR CHILDREN'S LEADERSHIP. Under the leadership of Mr. Dennis Grass and Mrs. Zetty Bell, the music clinic was conducted in January for all children's choir leadership. We had approximately 40 leaders present for this clinic which dealt with all facets of the graded choir program in the local church.

Area 4. PRAISING '76. Under the direction of Mr. John Laverty, Mr. Hugh O'Shields and Mr. Wiley Oakley we presented our second PraiSing which virtually involved every church in our association. This was accomplished through grouping churches into eight groups to form eight choirs. Each choir presented two selections with ensembles presenting music between each choir. The finale involved all choirs joining together to sing music which was appropriate to our bicentennial year. Three hundred and eight adult choir members participated in this event.

Area 5. JUNIOR MUSIC DAY CAMP. Under the direction of Mr. Dan Vincent and Mr. Steve Austin, a one-day junior music camp was held at Ebenezer Church. On this day our 4th, 5th, and 6th grade students from our churches joined together in fun, recreation and music study. The day concluded with the Young Musicians presenting a musical entitled "David and the Giants". Approximately 75 juniors participated in this event.

This has been a very busy yet profitable year in the area of music in our association churches., We praise God for the involvement of every music director through our association. We look forward to a greater year ahead.

Respetfully submitted,
George Archer, director

REPORT OF WOMAN'S MISSIONARY UNION

This bicentennial year in WMU has been a memorable one. Several of our churches have organized new groups. Many have had GA and Acteen Presentation service. The Baptist Young Woman groups have been strengthened. It has been a great year!

We all look forward each year to the Baptist Women's Day of Prayer which is the first Monday of November. For several years we have met jointly with the Durham County Missionary Union which is composed of Black Baptist women from several churches. As we join our hands and hearts in prayer we feel the love of God that binds us together. Each one present receives a blessing as we pray for Baptist women around the world.

In December of 1975, Yates Association WMU was asked by the State WMU office to supply fruit for the women at the State Correctional Institution in Raleigh. This was a most successful and rewarding endeavor. Truly this was Mission Action.

Mrs. A. Harrison Gregory, WMU President of the Southern Baptist Convention, was the featured speaker at our annual meeting in April. The theme for this meeting was, "Let Christ's Freedom Ring!" Truly it was an honor to have Mrs. Gregory with us.

Churches continue to minister to some of the needs at Murdoch Center. Many needs go unmet but we thank God for what is being done.,

The WMU of Yates Association came to Temple Church on September 13-14, 1976, for annual leadership training. Approximately 125 women came to get new ideas and to share their own thoughts.

Each member of the WMU Council stands ready and waiting to help you in the local church. One of the goals of the council this year is for someone from the council to make at least one visit in each of our churches.

It has indeed been a pleasure for me to serve as WMU Director of the Yates Association for the last two years. Thank you for your prayers and support.

Respectfully submitted,
Mrs. W. B. Harrill, director

REPORT OF THE BROTHERHOOD

The year 1975-76 has been a good one for Associational Brotherhood work under the capable leadership of Bryce Bates in Royal Ambassador work, James Clary in Baptist Men's work, and with the support of our Superintendent of Missions and many other men from churches throughout our association.

The purpose of Associational Brotherhood is to support the churches in their efforts to educate men and boys to missions and to aid in providing training and opportunities to become involved in worthwhile mission activities.

In January Baptist Men and their wives met at Grey Stone to enjoy a spirit-filled fellowship of Christian witness, prayer, and food. Approximately 200 people attended, leaving with a new realization of the power of prayer in a Christian life.

In April a Royal Ambassador track meet was held at Southern High School. Some 80 RA boys representing eight churches participated. Some of the winners in the association meet successfully placed in the State RA Track competition at Campbell College.

During the year opportunities for Christian service were offered to Baptist Men in conjunction with the Community Ministries Committee. Emphasis was placed on work at Murdoch and Umstead facilities at Butner, the Laubach Literacy program, and Troy House, a rehabilitation center for misdirected young men between the ages of 15-18 years. Men were encouraged to extend the love of God in these areas through their Baptist Men's mission action programs.

In June, Frank Hart "Pogo" Smith of the Sunday School Board, Nashville, was the featured guest at the Man-Boy Rally held at Brogden Junior High School. Mr. Smith is a very personable Christian and the boys and men attending this rally were richly blessed.

A Brotherhood Leadership Training session was held in September at Durham Memorial. A group of Baptist laymen from the Raleigh Association met with us, sharing ideas that have been successful in their churches and association. This informal atmosphere of sharing together proved highly successful in providing a fresh, new impetus for RA and Baptist Men leaders in the Yates Association.

Royal Ambassadors were given another tremendous boost in October with a camping trip for all RA boys and their dads at Camp Mundo Vista at Asheboro. The retreat was a weekend of enlightenment of what RA programs are, and of the effectiveness it has on molding young lives for present and future service for Christ.

Reverend Ed Gordon, missionary to the Philippines, presently home on furlough, spoke to the boys and showed slides of his work there. He has been on the mission field for 23 years. He is a warm man, very Christ-filled, and was a real stimuli for mission awareness for those attending this retreat. The trip also included a tour of the N. C. Zoo at Asheboro.

Another big event looked forward to with great anticipation annually was held October 9 at Durham Memorial. This was the Crusader Car Competition where RA boys throughout the association race cars built with their own hands in competition. Winners are invited to the State Competition to compete against RA's from across the state. To win or place in this competition provides a real sense of accomplishment to our boys.

Next year already shows indications of being a better year than the past. At least four churches have begun new or revitalized previously active RA programs this year. Approximately 10 of our churches presently have active RA programs.

Our Brotherhood Council has met and planned events for 1977 that again are aimed at strenghening and building Baptist Men and Royal Ambassador mission involvement in as many churches as possible.

I wish to sincerely thank and praise the Lord for all the men who have contributed to and participated in the Brotherhood Council coordination meetings this year. I hope this group will grow during the year, 1977, and that the glory and love of Christ can be extended greater than ever through the men and boys in our church families.

Respectully submitted,
J. Edwin Couch, director

REPORT OF THE CAMP COMMITTEE

1975-76 was a very, very busy year in renovation, repairing, and replacing various facilities at Yates Camp. After 20 years, many things needed attention: the bedrooms, water-pumps, signs, painting of various buildings, the tractor. A beautiful flagpole has been erected by a friend of the camp. Our committee is in the process of installing an intercom system between the lodge and the caretaker's house, and also a dehumidifier in the bedrooms to eliminate moisture.

Two trips have been made to Camp CaRAway to investigate styles of buildings that we want to erect as quickly as possible to increase our bed capacity. Advertising folders will be printed and distributed in a few days.

Mrs. Anna Funderburk became caretaker during the year, and the various groups have been unusually complimentary of her work. One person spoke for the rest, "Whoever is caretaker is taking his job seriously."

George Ray was elected as Camp Director during the year. He will relieve our Director of Missions of many responsibilities in working with the Camp Committee.

Following the recommendations of R. S. Tennant of the U. S. Soil Conservation Service, we will empty the pond in July of 1977 and start re-stocking it the following October.

1976-77 will be the year in which we will sell several acres to the federal government for the Falls of the Neuse project, and with the hopes of acquiring some adjoining land. We believe that the people of our churches will catch the excitement of our committee as we anticipate the erection of new buildings — finally.

Respectfully submitted,
George Ray, chairman

REPORT OF THE COMMUNITY MINISTRIES COMMITTEE

The goal of our committee is to encourage churches within the association to perform ministries needed in the community.

The highlight of the year 1976 was a "Multi-Ministries Seminar". With our goal in mind, the ministries included on the agenda were as follows: Mental Retardation, Alcoholism, Alone and Lonely, Deaf, Non-readers, Singles, Prison Ministry, Helpless Children, and Contact Durham Teleministry.

Responses to the seminar this year were so favorable that plans have already been made for another annual seminar on March 28, 29, 1977.

Progress has been made in these areas. Two more training sessions were held this year for the Laubach Literacy Ministry. There have been more churches involved in a ministry at Murdoch Center through the efforts of the "Murdoch-Umstead Friends Night" sponsored by the committee last year. The committee is now getting together a list of needs for the cottages at Murdoch and these will be sent to all churches within the association in the hopes they will "adopt a cottage. We now have 30 "contacts" that act as a liaison between our committee and their churches. Our goal is to have a contact within every church in our association.

There is so much to be done and so many ministries needed here in our community. We need the prayers and concern of every church in our association to better serve them.

Respectfully submitted,
W. W. Sprouse, chairman

REPORT OF THE FUTURE DEVELOPMENT COMMITTEE

This committee having been constitutionalized this year and having a full elected committee at the May Board meeting, began its work in July, 1976, and held monthly meetings.

In keeping with the purpose of being organized, and being a committee that has the responsibility to study programs and work of the association, this committee has studied two questions thus far. They are:

1. What should the association offer its member churches in the way of help, programs, assistance, etc.?

2. What should be the duties and responsibilities of the Director of Missions,

thinking primarily in terms of any incoming Director after Mr. Mumford retires?

The committee members offered for discussion some 50 questions relating to question #1 above. The committee feels that at some time in the future, the association may have to addresss itself to many of them. We are at present studying these questions and may make a report at a later date.

In regard to question #2 above, we are going to ask for input from the pastors at a later pastors' conference, and also for input from the pastors and lay people of all the churches.

The committee feels, that in order for the association to have a program that many people believe in and believe to be the will of God for the association, pastors and lay people of the churches should have an opportunity to express themselves to the committee before any recommendations are made.

We ask for your trust in studying these two questions. We will thank you for your input, either on a request basis or on a voluntary basis. We feel that, with proper study by each of us and trusting Christ for the answers, we will carry out the will of God in our efforts.

Respectfully submitted,
Bill Garrett, chairman

REPORT OF THE MISSIONS COMMITTEE

During the year, properties in the Chapel Hill-Carrboro area were investigated.

It is hoped that 1977 will be the year in which a new church will be organized in that area.

Properties in the northeast Durham area also were visited but any action seemed premature.

Respectfully submitted,
Stewart Wallace, chairman

REPORT OF THE RADIO AND TELEVISION COMMITTEE

The Radio and Television Committee met on November 7, 1975, to explore possible areas for involvement of our churches in public sound and screen media communication.

Two proposed types of radio ministry were considered. A fifteen-minute daily devotional ministry and a thirty-minute weekly program were discussed with a view to offering churches opportunity to underwrite and to produce programs on a one-week, rotating basis. A consistent and uniform program format would be suggested to be followed.

Available time on local stations was sought tentatively which was found to be unavailable at preferred times. Upon obtaining of available time, a survey was to be made of the churches to determine the extent of interest in participation.

The unavailability of preferred time slots delayed proceeding with the survey. In addition to this a move was made in the Durham area to purchase a local radio station which was expected would make time available for denominational programming.

A seasonal television program was also considered to be underwritten and produced by interested churches at special Christian seasons during the year.

The committee will seek to survey the interest of our churches in a cooperative radio and/or television ministry during this year and to initiate programming which may become feasible.

Those churches which are using these media are commended and others are encouraged to take advantage of every opportunity to get involved in ministering through these most influential of all public media.

Respectfully submitted,
Julian W. Motley, chairman

REPORT OF "SINGLES OVER 40"

Celebrating their first anniversary in May, 1976, this group is showing a steady growth and members coming from 21 of the churches in Yates Association and five outside the association. Some of these members come from outside of Durham: Morrisville, Hillsborough, and Timberlake.

This group meets primarily for fellowship on the first Saturday of each month.

Those above 40 years of age who have lost their mates by death or divorce, or are still unmarried, are welcome. Notices of the meetings are included in the Associational **NEWS** each month.

Several members of the group attended the first statewide Single Adult Christian Conference held last October in Charlotte and hope to attend the one scheduled for October 29-31 at Pritchard Memorial Church, Charlotte.

To the four churches that have opened their doors to this group for their meetings — Angier Avenue, Grey Stone, Holloway Street, and Yates — the Singles would like to express their appreciation. They would welcome invitations to meet in other churches in the association.

Officers are: President, Claiborne Ross; Secretary-Treasurer, Mrs. Bernice D. Eubanks; Program Co-chairperson, Mrs. Darlene Harrill and Reverend Ed Kissiah.

Respectfully submitted,

Mrs. Bernice Eubanks, secretary

REPORT OF THE STUDENT WORK COMMITTEE

The Yates Baptist Association Student Work Committee sponsored a reception for the new part-time Baptist Student Union Chaplain at Duke University, Mrs. Velma Ferrell. The BSU students of Duke catered the food for the committee. The BSU Center was the hub of our activity and we were reminded of our excellent facility. The new director and the students invited us to come to the center often. We hope the Duke Chaplain position will soon become full-time again.

Our BSU chapter at UNC has an advisory board and the Yates Baptist Association has a representative on this board. As representative this year, I would like to report that the Christian community in Chapel Hill-Carrboro has a live option to work, worship, and fellowship because of the BSU center curricula and activities. The program offered is excellent and our young people are choosing this option in encouraging numbers. Our thanks to Bob Phillips, Joe Clontz, and the new part-time interne because of their concern for persons.

The needs of college students who return to the local churches on weekends and during the summer are still real. At least one new college-career class is available in our association to meet this need. Is your church able to make one available?

Respectfully submitted,

Mrs. W. M. Upchurch, Jr., Chm.

REPORT OF THE YOUTH ADVISORY COMMITTEE

The Youth Advisory Committee, getting a late start, reports one major event held in June — The Blue Jean Jamboree II.

It is a major concern of this committee to assist the churches in our association without staff in the area of your work and to provide a source for inter-church fellowship among all of our churches.

Respectfully submitted,

Harry Fowler, chairman

REPORT OF THE ORDINATIONS COMMITTEE

The Ordinations Committee was called upon by two churches in 1976 to assist in the examination of two candidates for the ministry. After examination, they were recommended by the committee to their churches for ordination:

On January 13, 1976, Mr. Thomas Alfred Huneycutt at the request of Durham Memorial Baptist Church;

On May 4, 1976, Mr. Herbert Mitchell Simpson at the request of Homestead Heights Baptist Church.

Respectfully submitted,

Fred A. King, chairman

Let us also remember in Christian love those who have passed on to be with the Lord and the families and churches that cherish the memories of these loved ones.

Also be it further resolved

That we as individuals pray earnestly for God's leadership in the casting of our vote in the forthcoming election, and that we acknowledge our complete dependence upon Almighty God and give Him the glory for whatever has been accomplished in the Yates Baptist Association this past year. Let us beseech Him for guidance and be challenged to reach upward to greater goals in the Kingdom's work in this Association in the coming year.

Respectfully submitted,

Mrs. Norman Gardner, chairman

REPORT OF THE AUDITOR

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1975. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1975, on a basis consistent with that of the preceding year.

REPORT OF THE FINANCE COMMITTEE

The Finance Committee recommends:

1) that the $2,400.00 under item #35 in this year's budget, but not spent, be used to establish a contingency fund;

2) that the fund be made available to the Future Development and Missions Committees for the purpose of developing our own "Bold Mission Thrust", including a look at population trends in the Chapel Hill-Durham area, priorities in associational outreach, and a course of action for implementation;

3) that expenditures from this fund be subject to the approval of the associational board, or the executive committee.

CONSTITUTION

Revised 1975

Article I. NAME

This body shall be known as the **Yates Baptist Association** of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist Churches in Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement from "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

HISTORY OF PAGE ROAD BAPTIST CHURCH

Bethesda Baptist Church, in an effort to fulfill one of the basic doctrines of the church, determined to establish a mission. A committee was elected consisting of L. G. Strickland, chairman, D. J. Booth, Mrs. J. R. Tilley, Mrs. M. R. Stallings.

For several years very little progress was apparent: however, much thought, prayer and investigating localities did occur. Finally, at a business session in December, 1964, a motion was passed to place "left over" money in a fund to purchase land for a mission. As a result of this, the following December surplus monies of $1,000 were placed in such fund. In January, 1967, an additional $1,000 was added to this fund.

Shortly after this time, the committee was led to a parcel of land located at the intersection of Page Road and Holloman Road consisting of approximately three acres of land, a dwelling, and three out buildings. During the business session of February, 1967, the deacons recommended the purchase of the above described property for the sum of $12,000. D. J. Booth moved to accept the recommendation. John Ausley seconded and it passed unanimously. The trustees and finance committee were instructed to take the necessary steps to obtain the property.

In the March, 1967, meeting, Earl Ennis was elected Mission Superintendent to serve as Chief Administrative Officer until a Mission Pastor was secured. Emerson Page was elected to serve as Associate Superintendent. In May, 1967, L. G. Strickland reported that the property had been vacated and was available for necessary renovations for its intended use.

In the July, 1967, meeting the following were elected to serve as workers at the mission: Pulpit Committee: O. C. Mitchell, Jr., chairman, Don Baker, Eugene Floyd, Earl Ennis; Clerk & Treasurer; Mrs. Nancy Baker, Sunday School Superintendent, O. C. Mitchell, Jr., Nursery & Beginners: Mr. & Mrs. Eugene Floyd, Primary: Mr. and Mrs. H. E. Page, Junior & Intermediate: Richard Tilley, Young People and Adult: Mrs. O. C. Mitchell, Jr.

Sunday, August 6, 1967, was chosen as the date of the first service. The Reverend A. D. Frazier preached the first sermon. Services were followed by dinner on the grounds. The next several months could be characterized as an interim situation. The mission was actually under the supervision of the mother church but at the same time exercised some degree of autonomy.

The Reverend Charles Parker was called as interim pastor for the mission in October, 1967. The final payment of $500 was made on the property in January, 1968. The mission was then free of indebtedness.

February 28, 1968, the mission held its first official business session. A motion was passed unanimously that a steering committee of five people be elected to provide leadership toward the organization of the mission into a church. The following were elected: O. C. Mitchell, Jr., chairman, David Byrd, Richard Tilley, Emerson Page and Earl Ennis. On March 5, 1968, a joint meeting of the steering committee and the mission committee was held. It was agreed to recommend that the first Sunday in May, 1968, be the date of organization with charter membership to be left open until the first Sunday in August. It was also recommended that the mother church allow the mission to control its finances beginning April 1, 1968. Permission was granted as requested.

The name "**Page Road Baptist Church**", was adopted on March 24, 1968, and at a meeting of the mission council on April 28, it was voted unanimously to recommend that the mother church proceed to organize the new church. On May 5, 1968, Page Road Baptist Church issued its first call for membership with 45 responding — 43 by letter and two by profession of faith.

The Reverend A. D. Frazier became first pastor on June 16. A constitution was adopted on August 25, and on September 22, the first deacons were elected: Earl Ennis, O. C. Mitchell, Jr., H. E. Page, W. E. Rice, Richard Tilley and Robert Woody, chairman. In October the church voted to apply for membership in the **Yates Baptist Association**.

During the following two years the church moved along in an orderly manner; however, it was becoming more apparent that additional space was needed. In February, 1970, a committee was elected to study the building needs. As the March meeting this committee recommended that a building to accomodate 250-300 people be constructed at a cost of 50—60 thousand dollars. This passed and a new building was initiated. In November, 1971, the committee presented final plans and three quotes on the eductional building. A bid of $53,279 was accepted and the committee instructed to proceed. The residential type building that was originally used was to be moved to the rear and used as a sanctuary. Problems arose concerning the moving so a decision was made to demolish it and use the new building for both education and worship services.

Ground breaking ceremonies were held in conjunction with a breakfast on Thanksgiving Day, November 15, 1971. Sixty-five people were present and together pulled an old one-horse turning plow with Brother Frazier at the "helm". The building was completed and first used early in July, 1972.

The need to complete the long range plans and provide adequate quarters became increasingly obvious. As the debt reached an acceptable level, attention was turned to the construction of a sanctuary. Following the typical pattern, plans were discussed. It was generally agreed that the sanctuary which was originally planned would not provide adequate space, so a multipurpose room was added to the rear. Bids were requested and construction began in October, 1974. This phase of the building program was completed at a cost of approximately $120,000 and the sanctuary was first used the first Sunday in February, 1975.

The Reverend A. D. Frazier resigned September 22, 1976. He served as interim pastor until the Reverend Anthony Oakley became pastor on June 13, 1977.

HISTORY OF PARKWOOD BAPTIST CHURCH

Parkwood Baptist Mission was started in November, 1964. Yates Baptist Church agreed to sponsor the mission at the request of the extension committee of **Yates Baptist Association.** The first worship service was held on November 15, 1964, in a vacant store in the Parkwood Shopping Center. The first service attracted 93 people. Services were continued and on December 6, 34 presented themselves for membership in the sponsoring church. The following Sunday 18 others presented themselves. Reverend Ray Hodge, pastor of Yates Baptist Church, served as mission pastor.

Reverend Hodge led the mission through the following accomplishments:

(1) The election of a missions committee on November 20, 1964, to guide the mission and work with the sponsoring church;

(2) The election of a building committee on November 29, 1964;

(3) The first communion service on January 10, 1965;

(4) The formation of the Parkwood Woman's Missionary Society on January 21, 1965;

(5) The first baptismal service held at Yates Church on February 14, 1965;

(6) The initial payment of $6,148 toward the purchase of property on Clermont Road in Parkwood;

(7) The first revival, May 23-28, at the South Patterson Community Center, conducted by Mr. Hodge;

(8) The first Vacation Bible School, June 21-27, 1965. Classes were held in empty store buildings and various homes of members. Average attendance was 116. Commencement was held outdoors "under the stars".

(9) Selection by the building committee, with the approval of the church, of Ken Scott as architect for the new church building, June 30, 1965;

(10) Adoption of the first budget of $16,500 on July 4, 1965;

(11) Approval for bids of the drawings by the architect, November 7, 1965. On January 23, 1966, the church voted to award the bid to Delta Construction Company. On this same date it was voted to initiate a bond selling program with Fidelity Plan, Inc. The initial construction cost was to be $133,000.

On January 16, 1966, it was announced that Reverend Ronald Lackey had accepted the call as the first pastor. He assumed his duties February 6, 1966.

Church services were held in an empty section of the Parkwood Shopping Center. This became over-crowded and in August, 1965, services were moved to the South Patterson Community Center. In April, 1966, services were moved to Lowe's Grove Elementary School. Sunday School and Nursery were held in empty store buildings, offices, and homes of members. The new building was first used in March, 1967. Reverend Lackey served the church until May, 1968.

Reverend Jerreal Buchanan came January 12, 1969, as the second pastor of Parkwood Mission. Under his leadership the mission was constituted into a church on October 5, 1969. There were 199 members at this time. The following December the first deacons were elected.

The church started its first Day Care ministry in September, 1970.

In the spring of 1971 the church voted to purchase the house next door to be used as a nursery for church services and activities of the Day Care.

The first homecoming was held October 3, 1971, with plans to continue this event every two years.

Reverend Buchanan suffered his first heart attack on November 7, 1972. Returning to the pulpit in January, he resumed full activities by the summer.

The first full-time youth director was employed in the summer of 1975.

On October 6, 1974, dedication services were held for an additional wing to the church building. Financed by church bonds in the amount of $110,000. Delta Construction was again awarded a contract, with Hackney, Knott and Sears serving as architects.

Reverend Buchanan suffered a second heart attack November 3, 1974, and due to ill health, resigned the pastorate effective April 1, 1975. Dr. Donald Cook, professor at Southeastern Seminary, was called as interim pastor in July.

The church voted in April, 1976, to call Reverend David G. Moore as pastor. His acceptance was effective May 1. Under his leadership the church is growing spiritually and continues to go forward in all phases of the Kingdom work.

REPORT OF THE ASSOCIATION BOARD

Board meetings were held on November 9 at University Church, February 1 at Cresset Church, May 10 at Grace Church, October 11 at Fieldcrest Church.

November 9

Director Hubert Mumford recommended:

a. that our regular Association Nominations Committee be asked to consult with the present workers of the organizations (Sunday School, Church Training, Brotherhood, Music, and Church Media Center/Library — Woman's Missionary Union not included because that organization is still Auxiliary to the Convention), then select and present for approval at the February board meeting, the organizational directors for the ensuing year;

b. that these directors consult with the chairman of our Association Nominations Committee from time to time as needed for correlation and proceed to enlist their workers in time for approval at the May board meeting. Exception: The Music Council members shall not sereve more than five consecutive years. (This suggestion comes from the Music Council..)

c. that these organizational workers be approved at the May board meeting that they may attend various training opportunities during the summer before assuming their responsibilities in the fall.

d. that these procedures, if successful, be incorporated in our Association Constitution and By-Laws at the annual meeting.

It was passed.

February 1

Mrs. Marilyn Partin, of the Durham Department of Social Services, pled for continued support of the Energy Fuel Fund.

Upon recommendation of the Camp Committee it was voted to approve funds for preparing plans and specifications for the construction of two different type structures; one for summer use at approximately $25,000, and one for all-weather use at approximately $40,000 so that plans might be ready when and if the money becomes available for construction. Funds for the plans and specifications would come from receipts of a bequest left by Mrs. Alice S. Rochelle of Lakewood Church.

The tentative budget for 1977 was revised and adopted.

The Future Development Committee recommended:

1. that the FDC be authorized to employ on a part-time basis a coordinator for the committee;

2. that the FDC be authorized to employ part-time secretarial help to assist the coordinator;

3. that when the FDC, with the aid of the coordinator, has finished its work, it shall report to the associational board its recommendations concerning the direction and ministries of this association.

4. that the $2,400 previously made available at the annual meeting from the 1976 budget be alloted for this purpose, if needed.

Approved.

The following directors were elected: Sunday School — Johnny Ross, Brotherhood — J. Edwin Couch, Music Council — Larry Dickens.

The director stressed the Long-Range Planning Conference, the Conflict Management Conference, and the Dynamics of Prayer Workshops that were coming.

The Executive Committee was empowered to make whatever adjustments in times and dates in meetings made necessary by the Energy Crisis.

May 10

In the absence of both the moderator and vice moderator, Bruce Little, the parliamentarian, presided.

The recommendation from the Camp Committee adopted at the February board meeting was corrected: the estimated cost of the summer building is $9,000 rather than $25,000.

It was voted to appropriate $1,200 each for both Edgemont and Fieldcrest churches for summer workers, if acceptable persons can be found.

The salary of Mrs. Anna Funderburk, caretaker of the Camp, was increased $240.

The Nominations Committee brought the complete list of officers and committees for approval.

It was announced that the Dynamics of Prayer Workshops originally scheduled in March will be held June 3, 4, 6.

Officers for the newly formed Church Media Center/Library Organization were presented and elected.

An action on "Host Homes" is presented elsewhere.

It was voted to apply to the State Convention for $2,000 toward the salary of the new pastor of Fieldcrest Church when he arrives.

October 11

Once again in the absence of the moderator and vice moderator, Bruce Little, the parliamentarian presided.

The tentative budget for 1978 was presented and various items explained.

Upon recommendation of the Camp Committee, it was voted to instruct the trustees of the **Yates Baptist Association** to convey to the State of North Carolina approximately .83 acres of land adjacent to the existing highway right-of-way for the sum of $860 with the further provision that a typical fence be erected along the severance line.

W. W. Sprouse, chairman of the Community Ministries Committee, presented a mimeographed report from his committee in response to resolutions on "Host Homes" referred to it at the May board meeting. These are found on pages 26-27 of the Book of Reports.

As we face the challenge of the third year of participation in the Southern Baptist Convention "Bold Mission Thrust", let us work together to achieve the goals set before us:

Let every person in our land have an opportunity to hear and accept the Gospel of Jesus Christ.

Let every person in our land have an opportunity to share in the witness and ministry of a New Testament fellowship of believers.

Respectfully submitted,
Curtis Crutchfield, Moderator

REPORT OF THE BROTHERHOOD

The aim of the Brotherhood Council is to plan and implement an associational program to encourage participation of men and boys in mission study and mission activities in their church communities.

The year 1977 has been an exciting one in that several new Royal Ambassador groups have been formed and others revived. There has been renewed interest in many churches for a Baptist Men's group.

Many events were held to stimulate this growth, including the following:

A Baptist Men's Prayer Supper at Grey Stone
An Associational RA Track Meet at Durham Academy, with GA's participating
A Regional Leadership Conference at First Baptist, Hillsborough
An Associational Crusader Car Competition at Braggtown

Brotherhood Council members were also busy throughout the year visiting churches that had expressed an interest in establishing an RA or Baptist Men's program.

I thank the Lord for this apparent renewed interest of the men in our churches. I look forward to increased growth in 1978 among men who are willing to be bold in the work of our Lord.

Respectfully submitted,

J. Edwin Couch, Director

REPORT OF THE CHURCH MEDIA CENTER ORGANIZATION

The Associational Church Media Center Organization (TACMO) met five times during the church year. A survey was conducted in the churches of the Association to determine the greatest needs of the Media Centers.

These survey sheets have been studied and four workshop-type meetings have been planned around this survey. Media directors will receive notices of the time and place of the meetings. Dates and topies are:

November 5	Aids and Lists for Selection of Materials Helps for Cataloging and Organization
February 4	Promotion of the Use of Library/Media Center
May 6	Cataloging and Processing — Book Repair — Vertical Files
August 5	Recruiting and Training of Library/Media Workers.

Respectfully submitted,

Mrs. W. A. Crabtree, Director

REPORT OF CHURCH TRAINING

In recent years the Church Training program across our Southern Baptist Convention has been rather anemic and disheartening, but it is obvious that better days are ahead and our own association is no exception.

During the past year our only associational event was the Children's Bible Drill on May 29. There were two winners from Bethesda, Misty Daye and Lisa Boykin; and two from Durham Memorial, Ralph M. Stanhope, Jr., and Victor Gerald Lee, Jr. All went to the State event at Caswell and returned as winners. We are proud of them.

We had two Associational Church Training Directors during the year: Johnny Ross of Carrboro and Floyd Rhodes of First, who is making big plans for 1978 and beyond. Mr. Rhodes was our Associational Director several years ago. He brings a lot of interest in and to this program.

Next year we have taking place in our area Regional "Developing Book Conferences" on January 26 with state workers, and on May 1 and 2, we have scheduled our own "Training Extravaganza" with Dr. Grady Cothen, Dr. Howard Foshee, and the successor to Dr. Phil Harris, soon to be announced at the B. S. S. B. and others all coming as speakers.

Respecetfully submitted,
Hubert S. Mumford

REPORT OF THE MUSIC COUNCIL

The Yates Association Music Council provided our churches with educational and inspirational experiences as well as providing new resources for the local church through the establishment of the Associational Music Reference Library.

The projects were as follows:

1. *Associational School of Music:*

Under the leadership of the entire Music Council as well as Larry Molnar two consecutive nights of musical training were offered in the following areas: Beginning and Advanced Music Reading, Beginning and Advanced Vocal Study, Music Leading and Conducting, Volunteer or Lay Music Directors, Church Accompanist, and Children's Choir Leadership. One hundred and fifty five persons were enrolled in the school which was held at Yates Church.

2. *Fall Youth Singspiration:*

This was an informal musical worship service led by Dennis Grass at Cresset Church. Participation was exceptional and the service was truly an inspirational experience.

3. *Spring Youth Singspiration:*

This event was led by George Archer and Dennis Grass. A special presentation by Miss Sharon McCarson was the highlight of the evening. This meeting was held at Holloway Street Church and was also well attended.

4. *Associational Music Reference Library:*

Because of our desire to aid music directors in the constant search of choral materials, this council established the Associational Music Reference Library. Memberships in many of the major music publishing company choral clubs were granted on a complimentary basis and others were purchased. The following companies are now represented in our reference library: Word, Benson, Singspiration, Crescendo, Fine Arts, Alexandria House, Lillenas, Monna, Hope, and Lorenz. Catalogs of other companies are available also. The library is housed in the association office and is available during office hours. The council has adopted these guidelines for the library:

1. *A director may check out a maximum of three packets at a time.*
2. *Packets may be checked out for two weeks at a time.*
3. *It will be the responsibility of the user to see that all material, is in each packet and complete before returning the packet.*

Respectfully submitted,
Larry G. Dickens, Director

REPORT OF THE SUNDAY SCHOOL

The basic objective of the associational Sunday School organization is to assist church leaders in the Yates Association, through program interpretation and training, to be more effective in carrying out their responsibilities as Sunday School workers.

During this past year several events have been held in order to meet their objective. On February 14, a Bible Teaching/Learning Improvement Workshop was conducted at Grey Stone Church. Professionals from the S. S. Department of the N. C. Baptist Convention, assisted by state approved workers, led age-group conferences for every category. New materials and resources recently purchased by the S. S. Board were introduced at this all-day workshop.

On April 12, a meeting was held to determine areas of needs in our associational Sunday School work. Even though the meeting was poorly attended, an opportunity was given for S. S. workers to identify ways in which the association could help.

The Associational Vacation Bible School Clinic, designed to assist all VBS workers, was held at Grace Church on April 26. Two-hour sessions were conducted in the morning and evening with workers given the choice of which conference they wanted to attend.

Finally, the Yates Church hosted the Associational S. S. Leadership Night on September 13, with 116 persons attending representing 20 of our 47 churches.

As we look forward to next year, we are hoping to involve more churches in our associational S. S. events. By sharing our strengths ("Hallelujahs") and weaknesses ("woes") we hope to develop better teachers as we strive to reach more people.

Respectfully submitted,

Johnny E. Ross, Director

REPORT OF THE WOMAN'S MISSIONARY UNION

Our Associational WMU has had a busy year teaching and supporting missions and engaging in mission action. We have continued to provide food for the associational food pantry, to sponsor quarterly visits by churches to Murdoch, and to send Christmas gifts to the N. C. Correctional Center for Women. This year we will be sending homemade cookies and candy.

We continue to be concerned for our Baptist Young Women (18-29) and young Baptist Women (30-45). We are striving to plan meaningful activities appealing to this group. Our first Baptist Women's Pastor Appreciation Dinner was so successful that everyone is looking forward to the one planned for March of next year. As evidence of their concern for doing good mission work in their local church, approximately 135 women from 30 churches came to our leadership training conference at University Church.

The Girls in Action and the Acteens enjoyed their first track meet with the Royal Ambassadors so much that we are planning to have our own this year. Mission Friends leaders can look forward to a Leaders' Brunch in April.

Approximately 350 persons from 38 of our churches were present to hear Miss Martha Franks, a delightful speaker and retired missionary, at our annual meeting in April. This year we look forward to having Miss Carolyn Weatherford, executive director of Woman's Missionary Union, Southern Baptist Convention, with us at Grey Stone in April. Please plan to be with us.

We have an excellent WMU Council of trained and dedicated women eager to help you with your mission concerns. We would like to see each and every church next year. Please call us as you make your plans for a Bold Missions endeavor.

Respectfully submitted,

Mrs. J. Edwin Couch, Director

REPORT OF THE CAMP COMMITTEE

The camp has been used extensively during the past twelve months.

There have been some problems with the water systems recently but we hope they will turn out to be of a minor nature. Hopefully these problems will be resolved during the next few weeks. With the prospect of substantial future use of the camp, your committee is also pursuing the possibility of installing a large metal water storage tank to provide water for peak periods of use.

Plans and specifications are now being prepared for two additional types of buildings for the camp grounds. One would be suitable for summer use only while the other would be an all-weather facility. Within the next month or so the plans for these structures should be complete.

The land which we are going to lose to the lake project has been appraised and we will know the results of this appraisal soon. Your committee will attempt to negotiate with the government the very best arrangement possible and will report to the board the result of these negotiations as soon as they mature.

The sale of this property to the government should allow the Association to discharge its current indebtedness on the property and, in addition, should provide funds for acquisition of other adjacent property and perhaps the erection of one of more structures.

The highway serving the grounds will be widened and in the process the Association will lose some .83 acres for right-of-way purpose. The board at its October meeting voted to accept an offer of $860 for the small amount of land provided the state is willing to erect a wire fence along the severance line.

The pond has been drained and some cleaning and excavation will be done around the edges. When this has been completed the pond will be restocked with fish.

New rules and regulations have been formulated and published regarding the use of the camp facility. These rules and regulations were adopted after full discussion with representatives of the various churches at a meeting held for just this purpose. Your committee extends a warm word of thanks to all those who participated in the meeting. They are truly concensus rules and not just those of a small committee. Under these revised rules the camp seems to be operating more smoothly.

Finally, we extend our thanks to Mr. George Ray, camp director, and to Mrs. Anna Funderburk, caretaker, for their many efforts during the past year. Without their strong support the operation of the camp would have been far more difficult.

Respectfully submitted,

A. B. Stone, Jr., Chm.

REPORT OF THE COMMUNITY MINISTRIES COMMITTEE

The goal of our committee continues to be to encourage churches within the Association to become more aware of the ministries we can perform in and beyond our church community.

There were several highlights in 1976-77. A Multi-Ministries Seminar was held on March 28. Included on the agenda were Drug Abuse, Alcoholism, Child Abuse, and the Good News club for children.

Also, a workshop was held in the interest of "Group Homes" in our associational area on October 17. These were Family Care Homes for up to five senior citizens, and Homes for the Aged where a larger number of people in the senior citizen category are cared for. This is a ministry in which some of our churches are already involved. We anticipate more church groups becoming active in this area as a result of this workshop. Representatives from the Department of Social Services and the Volunteer Services Bureau led the discussion and offered suggestions as to how our churches can become involved.

The committee continues to encourage our churches to "adopt" a cottage at Murdoch-Umstead. This too can be a rewarding ministry and one in which we can share Christian love and concern to those less fortunate than we are.

Six Laubach Literacy workshops were held during the year; the last one was held on October 14-15. In them we train volunteers interested in becoming tutors of non-readers. Sixty-five persons were trained this year. Volunteers have spent 1400 hours teaching 45 people. Mrs. Ruby West, our Associational Director, has earned a Senior Tutor's Certificate and recently completed work for the Tutor Trainer's Certificate. Congratulations!

A new ministry, "Host Homes", was begun during the last few months; progress has been made. This ministry, initiated by the Watts Street Church, seeks to find homes that will furnish lodging for members of families from out-of-town who have a family member in a local hospital and cannot afford the expense of local motel accommodations.

This matter was brought to the May board meeting. The board voted to refer it to the Community Ministries Committee for study and appropriate action at the board's next meeting. The following resolutions were brought to the board on October 11 at Fieldcrest Church.

These actions by the Watts Street Church and the Association Board have been taken seriously by members of the Community Ministries Committee. Many hours have been given in committee meetings and in conferences with Bev Rosen and Wes Aitken of Duke Hospital, interested Yates Association pastors who have been present in initial meetings, Watts Street Church members who have been involved, officials of the Memorial Hospital in Chapel Hill, and others.

Out of the abundance of information that has been accumulated, the following resolutions have been drafted and are offered to the Yates Association official board.

Whereas there is a growing need for temporary housing for out-of-town families of patients and outpatients at Duke Hospital who cannot afford prevailing motel rates;

Whereas the Board of Missions of Watts Street Baptist Church has initiated a Host Homes program for the enlistment of private homes to help meet this need;

Whereas the meeting of these obvious needs for temporary housing is too big for one church, but would logically appeal to those of close proximity to Duke Hospital;

Whereas this effort could develop into a program of tremendous proportions, eventually including other medical institutions, demanding additional staff and more permanent overnight facilities;

Therefore, be it resolved that the Associational board at its meeting on October 11 or the **Yates Baptist Association** *at its annual meeting on October 24-25 recommend:*

1. To the Duke Hospital, that it continue to perfect the administration of this Host Homes program (at this time only two of the homes are being used with any consistency out of the eight homes available);

2. To the churches of **Yates Baptist Association,** *that they be prepared to enlist homes of their fellowships for this ministry;*

3. To the churches of other denominations through whatever channels are appropriate and available, that they also consider this means of serevice;

4. To the Future Develop Committee, that it consider as a part of its work, the study of this potential community ministry as it implicates Yates Association in the future.

After adopting the above resolutions at the October 11 board meeting it was found that they were already obsolete. The Community Ministries Committee therefore moves the following substitute:

1. To the Duke Hospital, that it continue to perfect the administration of this Host Homes program in cooperation with other medical institutions of the Durham-Chapel Hill area, especially the Veterans' Administration Hospital;

2. To the churches of **Yates Baptist Association**, that they accelerate the enlistment of homes from their fellowships for this ministry (we find **now** that there are not enough homes to meet the need);

3. To the churches of other denominations through whatever channels are appropriate and available, that they also promote this means of service;

4. To the owners of host homes, that they feel free to charge nominal fees for the use of their facilities;

5. To the Future Development Committee, that it consider as a part of its work, the study of this community ministry as it implicates Yates Association in the future.

Another important effort has taken the forefront in our associational area in recent months. We therefore bring the following "Resolutions Pertaining to Emergency Homes for Abused and Neglected Children."

Whereas there are a distressing number of abused and neglected children reported periodically in the Greater Durham area;

Whereas there are no specialized facilities available in the area for temporary emergency care, necessitating the premature return of the child to the very home in which the injury was inflicted;

Whereas a group of citizens representative of various social agencies and religious groups, principally Grey Stone Baptist Church, have done the necessary research for providing a home for these unfortunates, including the supervision by our Baptist Children's Homes;

Whereas a board of directors has been selected to formulate procedures governing admissions and care of said children;

Whereas this group has also done the necessary planning for launching an effort to raise $100,000 for these needed facilities;

And again, whereas a 100% endorsement by our own Yates Baptist Ministries' Conference has been received;

Therefore, be it resolved,

1. that the **Yates Baptist Association** on October 25, 1977, at Ebenezer Baptist Church, express its deep appreciation for all this work on the part of our fellow Baptists, and many others in the Greater Durham-Chapel Hill area;

2. that we express our confidence in the ultimate success of this timely and much-needed effort;

3. that we pledge our support to the campaign; and

4. that we urge our fellow Baptists and other interested persons in the Research Triangle area to give sacrificially of their financial resources in attaining this tremendous goal.

There are so many ways in which our churches can show our Christian love and concern! We feel that we have just begun to reach beyond our own communities. Our prayer is that each of our churches may "lengthen our cords and strengthen our stakes" as we enter our new church year, that we may show and share His love through these many ministries.

Respectfully submitted,
W. Wilson Sprouse, Chm.

REPORT OF THE DEACONS' COMMITTEE

At the close of the year the committee decided on a pattern of workshops and rallies for the future. Each year there will be two successive nights, the first given to education and the second given to inspiration.

On Thursday, December 1, Dr. Nathan Brooks, formerly of our Baptist State Convention, will conduct a workshop for all persons who have been, are, or hope to be, deacons.

On Friday, December 2, Dr. Cecil Seagle of Charlotte has been enlisted for an inspirational rally. He has an outstanding reputation for working with his deacons.

Respectfully submitted,
Billy Judd, Chm.

REPORT OF THE EVANGELISM COMMITTEE

These are tremendous days for the churches of the **Yates Baptist Association,** and your Evangelism Committee is grateful to be a part. It is our prayerful concern that our Association be a leader in evangelism. Your committee shall strive to provide programs of instruction and opportunities to apply these learning endeavors. This shall include schools of evangelism, programs of follow-up, area-wide crusade, ministry to housing projects, and others. It is our desire to work closely with other committees to strengthen our efforts.

Over 3,000 pators and guests gathered in Charlotte last February for the N. C. Evangelism Conference. There were many challenges from outstanding speakers with emphasis upon reaching out through bold evangelism.

The seventh annual statewide Youth Conference was held in Gresnsboro on August 19 with over 10,000 youth present and over 800 decisions.

As we walk together at our Lord's command to evangelize, beginning at home and reaching around the world, let us community together and move toward this direction.

Respectfully submitted,
Julius H. Lee, Chairman

REPORT OF THE FUTURE DEVELOPMENT COMMITTEE

This has been a most active year for this committee, which was an appointed committee until this past May when it became a standing committee.

After becoming a standing committee, we commenced having monthly meetings at which we discussed what course the **Yates Baptist Association** should take in the coming years. After several meetings we determined that the committee could not do this study without the assistance of a coordinator.

The Association Board approved a budget of $2,400 for this work at the May meeting. The committee then sought out the person to do this work and the Lord led us to Roy Smith, assistant to Cecil Ray, with the State Baptist Comvention.

We have met all summer long on a regular basis, sent out a questionnaire, held a field meeting at Ephesus Church for input from all people from that area.

We are at present continuing to seek and evaluate input from all pastors, board members, and all other fellow members from our associational churches. Anyone wishing to have input into the report please send information to the association office in care of this committee. This report will be made to the 1978 Associational Meeting.

Respectfully submitted,
Bill Garrett, Chairman

REPORT OF THE INTER-FAITH WITNESS COMMITTEE

This committee met and corresponded several times. An attempt was made to set up a conference using professors from Southeastern Seminary but time conflicts rendered plans unfilled.

Respectfully submitted,
Aubrey Jones, Chairman

REPORT OF THE MISSIONS COMMITTEE

Our committee has not been able to show much for its efforts in 1976-77. We are considering locations for three new churches. We have been contacted by a group that may apply for membership in our association eventually.

We are still holding the four and one-half acres on Garrett Road. We trust that the Future Development Committee will enlarge and revise the responsibility of this committee in a year or two.

Respectfully submitted,
Stewart Wallace, Chm.

REPORT OF THE ORDINATIONS COMMITTEE

The Ordinations Committee was called upon by four churches in 1977 to assist in the examination of four candidates for the ministry. After examination, they were recommended by the committee to their churches for ordination:

February 10 — Ted C. Kandler at the request of Holloway Street Baptist Church,
March 28 — Mrs. McIlwaine Morris at the request of University Baptist Church,
April 25 — John Rast at the request of Temple Baptist Church,
August 25 — John Deeds, III, at the request of Immanuel Baptist Church.

Respectfully submitted,
Kermit Gray, Chairman

REPORT OF THE RADIO AND TELEVISION COMMITTEE

The Radio and Television Committee held two meetings during the year and completed a survey of pastors to determine the interest our churches might have in a cooperative use of radio and television.

Results of the survey indicate that the most favorable interest in the production of seasonal television specials and secondly in daily radio programming under an associational format and contract, all such programs to be under-written and produced by the participating churches.

The committee is proceeding with the study and implementation of such cooperative use of these media as may be feasible and for which the support and participation of a sufficient number of churches can be obtained.

The potential impact upon the community of sustained Christian programming on radio and television offers the churches their greatest opportunity for communicating the Gospel to society as a whole. Let us pray for God's blessings in opening a wide door of service in this field of ministry.

The churches are encouraged to take advantage of those cooperative opportunities which your committee is seeking to arrange.

Respectfully submitted,
Julian M. Motley, Chm.

REPORT OF SINGLES OVER 40

With a "Spring Frolic" at the K and W Cafeteria in April, this group began its third year of activities. During the past year monthly meetings for fellowship, fun, and food have brought members and visitors together, usually on the first Saturday.

Several of the members have attended conferences out-of-town.

Membership is open to anyone over 40 years of age who has lost a mate by death or divorce, or is unmarried. Visitors and new members are always welcome. Notice of the meetings is carried in the NEWS published by the Association monthly.

Officers serving this year are: President, Miss Ephna Watts; Secretary-Treasurer, Mrs. Marie Deal; Program Co-chairpersons, Mrs. Arlene Greene, Mrs. Berlene Jester and Billy Sloan.

Respectfully submitted
Ephna Watts, Pres.

REPORT OF THE STUDENT WORK COMMITTEE

The Student Work Committee began its work by meeting with a group of ministers to explore the possibility of the committees programming for student needs on the associational level. It was determined that there was a need to develop some programs through our Baptist Centers to help pastors improve their ministry to students in their churches. It was decided also to bring some students together during the summer to determine what needs they felt the Association could meet. A number of youth from several churches came together at Battle House for recreation, rapping and programs of their choosing.

Members of the committee and especially our Baptist Student Workers at Chapel Hill and Duke helped make these outings a rewarding experience. The groups had hoped to develop a project for an associational wide "On-to-College" program, but not enough churches were interested.

The committee secured the names of college students in our churches and sent them to the State Student Office to be forwarded to the Student Center and association office where the students would be in school. A letter was mailed to freshmen encouraging them to keep in touch with their local church, look into their Baptist student work, and consider affiliating with a church on or near their campus.

Lists of Baptist students coming to Durham and Chapel Hill were distributed to the churches of our association.

At this point, the committee is evaluating the results of a comprehensive survey of student ministries in our churches. Results will be sent out to churches with recommendations for future student ministry in our association.

Respectfully submitted,
Richard Davis, Chm.

REPORT OF THE YOUTH ADVISORY COMMITTEE

The Youth Advisory Council was quite active this year, meeting on a regular basis for fellowship and planning. Two big events were conducted during the year. A Teen Conference was held May 15-17 at Holloway Street Church. The Sunday night program was planned by the Music Council and was attended by more than 400 people. The study session had an average attendance of 72.

On May 23-25 a Youth Evangelism Strategy Training Seminar was held at Guess Road Church. The seminar, led by Richard Everett, of the N. C. Baptist State Convention, was attended by 15 youth leaders in the association.

Respectfully submitted,
Harry Fowler, Chairman

REPORT OF THE AUDITOR

I have examined the statement of cash receipts and expenditures of the **Yates Baptist Association** for the calendar year ended December 31, 1976. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, subject to the above qualification, the accomanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the **Yates Baptist Association** for the calendar year ended December 31, 1976 on a basis consistent with that of the preceding year.

Respectfully submitted,
Frank D. Nelson, CPA, Auditor

REPORT OF THE RESOLUTIONS COMMITTEE

Be it resolved that,

We express grateful appreciation to Moderator Curtis Crutchfield for his tactful and efficient conduct of this Yates Associational Meeting of October 24-25, 1977, the 29th session.

We express grateful appreciation for the work of Director of Missions Hubert S. Mumford in his patient and persistent efforts to accomplish the work of the Lord through the ministry of the Yates Association;

We commend the Associational Clerk, Mrs. Emily Warrren for faithfully and efficiently recording the minutes of this meeting;

We express to the Committees and organizations of the Association who have worked throughout the year to carry out the business of the Yates Association, and especially to the Program Committee for presenting a smooth and meaningful session and also to the messengers who took their time to attend;

We express our grateful commendation for the challenge and inspiration brought by the special speakers: Myra Bates, Randall Lolley, W. R. Wagoner, Velma Ferrell, D. P. McFarland, Woodrow Hill, and Carl Bates, and the Annual Sermon by Clell Gibson; and also the Chairmen of Committees who gave interesting special reports, and other participants who contributed to the program.

We express grateful appreciation to the song leaders, organists, pianists, and other musicians who contributed their talents to the inspiration of the meeting, and especially to the Meredith College Duos and Dallas Jones;

We express our grateful thanks to the Holloway Street, Ebenezer, and Homestead Heights churches for providing a place of meeting, and to the Associational Group II churches who provided the noon meal on Tuesday: Bells, Cresset, Ephesus, Lakewood, Lystra, Mt. We remember in Christian love those of our number who have gone from us in death to be ever living with the Lord and to comfort the families and loved ones who remain.

We remember the cry of the multitude as Jeremiah 8:20 expressed "The summer is ended, the harvest is past, and we are not saved," as we look forward to implementing the Bold Mission thrust that has been presented to us, to cover the world for the Lord in our time, not knowing the time that is left to us.

Respectfully submitted,

Mrs. John A. Freeman, Chairman
Mrs. C. N. Royal
Mrs. Fred Lipe

CONSTITUTION

Revised 1975

Article I. NAME

This body shall be known as the **Yates Baptist Association** of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and orderly means for the extension of the ministry of the cooperating Baptist Churches in Durham County and adjacent territories which support the programs of the Baptist State Convention of North Carolina and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement from "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz., repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Article IV. MEMBERSHIP

Section 1. This Association in session shall be composed of duly elected messengers from cooperating Baptist churches in Durham County and adjacent territories and the regular elected officers of the Association and members of the Associational Board which are in agreement with the purpose as stated in Article II. When not in session this Association shall be comprised of its member churches which shall elect members to the Associational Board in accordance to Article X.

Section 2. Each church shall be represented at the annual meeting of the Association and at any special meeting during the year by messengers who shall be duly certified in the following ratio:

(1) Three for the first hundred members or fraction thereof, and one for each additional hundred or fraction thereof, provided that the total number of messengers shall not exceed ten.

(2) All pastors of churches of the Association shall be recognized as messengers, in addition to those specified above.

Section 3. Only individuals who are baptized (immersed) believers and members of churches of this Association shall be seated as voting messengers at any Associational meeting.

Section 4. Churches seeking to seat messengers in the Association shall apply to the Missions Committee prior to the annual meeting of the Association, giving evidence of their faith and order and their agreement to be received under watchcare of the Association. Upon recommendation of the committee and the approval of the Association by a two-thirds majority of the members present and voting, the church or churches shall be received under the watchcare of the Association for a period of one year. It is understood that during the period of watchcare of the Association such churches will be accorded all the services of the Association and all its privileges with the exception of the right to seat voting messengers and to voting representation on the Associational Board. At the end of the year of watchcare, the church or churches may, by a two-thirds vote of the Association, be received into full fellowship of the Association or continue under watchcare or have the request for fellowship rejected. Upon admission to full fellowship, the church or churches shall be authorized to seat duly elected messengets with voting privileges and voting members on the Associational Board.

Section 5. The Association shall have the power, upon giving notice of nine months and by two-thirds majority vote of messengers present and voting, to withdraw fellowship from any church that shall willfully depart from orthodox principles of the Christian religion as taught in the Bible and as believed by Baptists, or that fails to represent itself either by messenger or letter at the annual session of the Association without sufficient reason, or that fails to support causes fostered by the denomination at large and of this Association in particular, or that ceases to be missionary in practice.

Section 6. Any church may decline to send messengers to the Association at its pleasure. Whenever this constitutes a withdrawal of fellowship on the part of the church, the Association shall not as a body, or through a representative or representatives, seek to restrain by coercion or law the withdrawal action of the church.

Article V. POWERS AND PREROGATIVES

The Association, when convened in meeting, shall sit as advisory council, and shall have no power to infringe on any of the internal rights of the churches; it may advise with cooperating churches and recommend measures of usefulness for their adoption, and may claim for itself, its objects, and its recommendations the highest consideration.

Article VI. ANNUAL REPORTS OF THE CHURCHES

FINAL MESSAGE by DIRECTOR OF MISSIONS

HUBERT S. MUMFORD

"LOOKING AHEAD — THE BIG 'IF'!"

Annual Meeting — October 24, 1978 — Cresset Church

INTRODUCTION I have four points in my message tonight:

MY LIFE — OUR LIFE — YOUR LIFE — THE BIG "IF"

MY LIFE:

Over 66 years ago at Thanksgiving time in Thanksgiving Hospital in Cooperstown, N. Y., a boy was born. His mother had already lost two boys, and like Hannah, she promised the Lord, "If you'll let this little fellow live I'll dedicate him to your service." His name was Hubert Simon Mumford.

After high school, I went on to business college for two years, spent three years paying back the debt, and went on to college to be a Boy Scout executive. But during that freshman year, I saw young men for the first time who were planning to go into the ministry, and I felt I had as much to offer the Lord as they did. During that first summer vacation I talked with my mother. She was in the kitchen ironing.

"Mother, it looks as if I've got to be a minister, but I need something to cinch it."

It was not until then that she told me, "Hubert, you were dedicated to the Lord before you were born." Two weeks later I became assistant to the pastor of a church in the town in which I was going to college.

After college I went to Eastern Seminary, Philadelphia, and as a student became the Director of Evangelism in Blockley Baptist Church, the most **spiritual church** I have ever known. Deacons in that church were cited in Southern Baptist study course books on "soul-winning." It was in Blockley that I found my life. **In contrast** I had never seen an invitation extended in my home church in Cooperstown, yet God called me, my youngest brother, and two girls out of one band of young people. It was a miracle!

Helen and I have had the joy of anticipation every step of the way. In coming to Matthews church outside Charlotte it was love at first sight. It was the same thing in coming to Marshville church in Union Association. I would not recommend this procedure today, but we did not know our salary in Marshville until we received our first check.

I refused the call to Yates Association the first time, but doors kept closing in Marshville and opening in Durham until God made it clear that I should say "yes." During these 25 years I have had no doubt about God's call to this position.

During **37 years of marriage**, God has blessed us with four children and four grandchildren. On February 4 we hope to be financially solvent, and able to enter a whole new life together. Once more we live in anticipation of that new era of our lives. We will **continue to live at 1108 Raynor Street**. And we have so many **friends here in the area.** How about remembering us at Home Coming times?

As we face retirement we think of Hebrews 12:1, 2. It reads: "*Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the* *race that is set before us.*

"Looking unto Jesus the author and finisher of our faith; who for the joy that was set before Him endured the cross, despising the shame, and is set down at the right hand of the throne of God."

This passage presents the Christian Race with clouds of witnesses who had gone on before.

As I run that race in retirement, **looking around** CAN bring confusion, e.i., watching activities around me during what can be the greatest era in the history of Yates Association. I will feel somewhat like Moses.

Looking within CAN bring doubt. Will I keep my health? Will I have enough money? Will I be forgotten?

Retirement will not mean idleness. It will mean more time for **my church,** Holloway Street, for many *community* organizations such as "Contact Durham", time, I hope, to do some **research,** some **writing** that Howard Foshee and others have urged me to do, time to continue our Workshops on the **"Dynamics of Prayer'**, time to do my part in developing a better **inter-racial** climate in our area, and time to get back to my **singing** again. I had to give up my singing when we came to the Yates Association. God willing, I want to renew that part of my life.

I received a letter from Frank Ingram this afternoon. He was associational missionary in the Mt. Zion Association, then went to Gaffney, S. C., and has now retired in Cheryville. He said not to expect everything to work out in retirement as you plan. I have become accustomed to that already.

OUR LIFE — As An Association

It is difficult to realize that we started in a **one-half office** in the Snow Building with a part-time secretary. **Charles Maddry**, then the pastor of Temple Church, was the finance committee chairman, and what a responsibility he had! In 1954 the budget was $12,500. We had a manual typewriter, and a small, two-drawer filing cabinet.

Today we have such a well-equipped office that we love to refer to it as a **Servicenter.**

Several of our committees and organizations have had records of consistent and dedicated service. **Seldom** have their efforts been adequately appreciated. **I can never thank enough** the hundreds of sacrificial workers who served during these 25 years. The Lay Leader Award has given me a chance to do just that for a few persons. We have been successful when in turn workers did their jobs.

You ought to witness the burden for people in need evidenced by members of our Community Ministries Committees down through the years. Our last meeting was not held in the office but in **Murdoch Center**, Butner, as they tried to decide what our churches ought to do for some of those pitiful people. **Several of our folks** had never seen the section for the multi-handicapped mentally retarded.

Some day they will shed those handicaps and walk and talk with Jesus. **Our next Ministers' Conference** will be held in the Murdoch Center.

A few days ago I wrote to Dr. Paul Adkins of the Home Mission Board asking why they continued to put Christian at the beginning of Christian Social Ministries. We don't say Christian Finance Committee, Christian Activities Committee, etc.. He agreed there was no point to it because we go as Christian in principle; and he commended our terminology, "Community Ministries."

As far as evangelism is concerned, we have had some **little flash-fires.** I regret it.

We have had a **dry spell** in starting new churches. How I have wanted to start at least one below Carrboro-Chapel Hill.

The **most consistently hard working committee** during these 25 years has been the Camp Committee. Oh, how I thank the various chairmen like George Love. I do not know how George has been able to carry on his own business. **We are now assured** of water; we will have access to the Falls of the Neuse reservoir; we have a good caretaker, and the two Matthew Tyson Yates cabins have been moved piece by piece. Did you know in moving those logs that **George fell** 10 feet headfirst, and nearly lost his good eye?

Shortly after buying our original 55.6 acres, we tried to get electrical power.

Unexpectedly one day Wake Electric Co., called O. A. Johnson, our first chairman, to say, "If you can get a swath of woods cleared out by 7:00 o'clock tomorrow morning we will bring in the power lines." Mr. Johnson called O. B. Nichols and together they got axes, kerosene lanterns and something to eat and worked all night. About midnight Morris Currin came along the highway, saw the lights and what they were doing, went home to get ready, and worked with them. At 6:00 a.m., they finished that strenuous job, got down on their knees to thank God, and then went home for breakfast. At 7 o'clock Wake Electric started stringing the wire.

We must never forget a quote from Kitty Maddry's address at the dedication of our Nichols-Maddry Lodge:

"Time spent in planning, working, and praying, to say nothing of the thousands of dollars invested in these grounds, will be a loss to the Kingdom of God unless training and missionary education are at the heart of activities experienced here."

A composite of OUR LIFE must include our years of controversy, both on the subjects of **immersion** and **Christian Social Ministries.** I shall never be the same physically nor emotionally. Some of you could say the same thing. These 3-4 years of preoccupation put us far behind many other associations. During that period **Independent Baptist thinkers** joined **some of our churches to the extent that these** churches have never been able to come back to full participation, financially or otherwise. A live coal taken from the bed of coals will soon cool. Pray for them.

It was during that period that I learned that we must all assume as leaders that some people will never like us irrespective of how hard we try. But it is hard to learn. It was also during that period that I learned I would never have an associate to share this responsibility. Twenty other associations in our state have extra staff members beyond secretaries. I have been like a wild bird in a cage.

YOUR LIFE — Association in the Future:

Let us look to your life in the future. I repeat, you are entering what can be the most exciting era in your history.

Numerous projects **are like ripe plums ready** to be picked. You may have your first **resident camp** next summer at Yates Camp. During the last few days, **sites were set** for more cabins and a cottage. For only **$8,000** a church or individual can finance a cabin.

Remember how we **name our buildings.** Please **do not break this pattern.** Our caretaker's house was the first. It is called the Johnson-Taylor building after O. A. Johnson, our first chairman, and J. M. Taylor, the first Secretary of the Foreign Missionary Board. Our main building is called the Nichols-Maddry Lodge after O. B. Nichols, our first benefactor, and Charles E. Maddry, a former Foreign Mission Secretary from this area.

Within a few months, two if not three new churches can be started in our association. Sevral projects will be completed by the Community Ministries Committee, IF the churches cooperate. Church Training is on its way back. Sunday School is already on the way, under the leadership of Johnny Ross.

On next week, Thursday, November 2, we will have a Deacon Special at Grey Stone Church at 7:30 p.m. Out committee polled many of the churches and said we can get Dr. Charles Treadway to come from Nashville but we must be assured that your folks will come. They were encouraging and he is coming. He is No. 1 in our convention. The Laubach Literacy program is a joy to my heart under the leadership of Ruby West, assisted by Mary Whaley.

Other new developments are the two groups of Singles, the Senior Adults, and TACMO.

Finally, after many years, two Seminary Extension Centers will be started in January at Durham Memorial and Yates churches. They will continue for nine weeks. The subjects to be taught in both centers are "How to Understand the Bible", and "Women in the Church".

Also in January my own sister will be coming into our area for a week with her small mentally retarded singing group called the Hostelers. They have had 100 concerts and have a repertoire of 175 songs.

The **Future Development** committee has finished its work. Implementation will follow during the coming months.

Jack **Redford of the Home Mission** Board asks, "Is Bold Mission Thrust going to be the dying gasp of a disintegrating denomination? Or is it going to be the devil's waterloo, as a great national revival sweeps across America with churches born, lives changed, needs met?"

With 100 million unchurched in the USA, Southern Baptists have been challenged to double their membership. On the other hand, last year our convention hit the lowest levels of baptisms in 27 years.

One out of five people in North Carolina is a Southern Baptist.

The strongest denominational group in the Greater Durham-Chapel Hill area is Yates Baptist Association.

Over and over again I am hearing the laymen stress the importance of church leaders leading. I agree with them, **In my last pastorate I challenged** my people to witness to one person every week if I witnessed to a person every day. Each Sunday we would check up. I would admit whether I was on target, two days behind, etc., and ask them to raise their hands if they were up-to-date.

But if our church leaders did what they probably should do they would be voted out from one week to one month.

A great percentage of the **unchurched** in our area are in the **13,200 + apartments** and **1,300 + mobile homes.** We must take greater interest in our neighborhoods and peoples of all backgrounds, nationalities, and races.

An employee of our State Convention said recently that ½ the people of the Durham-Chapel Hill area are unchurched and perhaps unsaved. It was like a knife in me.

The Bold Mission Thrust sounds good and is good but it takes too lightly our Christian life-style, the lack of dedication and motivation of the majority of our people. **Jesus must mean more to us** in this area, before we will share Him with others. A higher percentage of additions to our churches must come by the Holy Spirit working through personal witnessing.

One-half of our population is also black. If we ever take this area for Christ, there must be a working relationship between blacks and whites. I expressed my burden to the Rev. Z. D. Harris in his study on Sept. 29. I expressed the same thing to the Ministerial Alliance on October 2, admitting that I did not know the answer to "How". Brother Harris came back with one word, "Prayer.

His answer rang a bell with me. He was not speaking of Prayer as an escape. Prayer is the logical first step in an offensive. It is not a program.

It is **communication** between people who love each other. We need an **avalanche** of prayer, or people praying, as they did in our country in 18__ when all the churches in N. Y. C., were filled in the middle of the day.

When you see a "Change the World School of Prayer" advertised, pay the price and get in on it. It is pure Bible Study on Prayer. Doug Willett of Bahama, a Baptist preacher from Durham originally, teaches it.

I believe God may be leading me to foster, perhaps even to lead, in a prayer crusade. We know that every world revival started with a great prayer movement. **I'm retiring** from a position in Yates Association **but not** from my prayer walks, nor from praying for you, nor from praying for this great big pagan area that I love. I believe in specific prayer for specific things. I'd venture to say that most of the people in this congregation do not.

We invite you to covenant with us in prayer for the Durham-Chapel area. We do not work up a revival; we must pray until God knows we are ready. He will answer!

THE BIG "IF":

2 Chron. 7:14 says: "*If my people, which* are *called by my name, shall humble themselves, and pray, and seek my face and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*"

These words were given to Solomon at the close of his reign. They illustrate the numerous warnings that God gave the people. **He pled** with them over and over again. But **they insisted** on worshipping the gods of their pagan neighbors. He finally used **Assyria** and **Babylon** to take them into captivity, and only a remnant ever came back.

When I think of this passage and apply it to my own ministry, I am more conscious of failure than success. We have had more of a democracy than a theocracy in our association: **we have had more maintenance of our church buildings and** than outreach. It all depends upon individual Christians **who will** take 2 Chron. 714 seriously; **who will seek** first the Kingdom of God and His righteousness, with the confidence that other things will come along.

The messages by Bob McClernon and Keith Parks pointed out these truths. God's plan was not dependent upon Isaac but His own power. The iron and bamboo curtains are not obstacles to God's power.

I don't know where you are in **your personal interest** in the Christian fellowship called Yates Baptist Association, but I wonder how many here tonight would be willing to come forward, take our moderator by the hand, and by so doing, say **I pledge to give more of myself in prayer for the Lord's work** through Yates Association.

HISTORY OF BELLS BAPTIST CHURCH

The church was known as Lassiter's Meeting House organized in 1815. After years of progression, the formal name was changed to Bells Baptist Church. There have been four churches built since its organization. The records of the first church have never been located. The second church was built in 1910. By 1920, it had a seating capacity of 300, and a value of $3,000. The third church was proposed by a church conference on March 23, 1939. Several years followed with fund raising projects and architectural plans for the new church. On September 3, 1945, ground breaking for the church became a reality. On August 21, 1949, services were held in the new building for the first time. October 2, 1949, was designated as the official Dedication and Homecoming Day. Dr. D. B. Bryan, Dean of the Wake Forest College, was the speaker for the service. At this time preaching services were held on the first and third Sundays at 11:00 a.m. On October 2, 1955, the deacon board recommended to begin full-time worship services at Bells Baptist Church. On October 7, 1955, the parsonage was completed and dedicated for the first full-time minister. In 1964, the church had a note burning for the mortgage for an indebtedness. At this time, the church was valued at **$100,000.** In regular business conference on February 2, 1969, the church voted to continue as a church and to do so it must relocate to a parcel of land outside of the property-area that is being taken for a Federal Water Conservation Project, The New Hope Dam project. The church acquired land, north of the present location from the Seventh Advent Church, to relocate the church parsonage. Robert Downing & Sons Construction received the bid for construction of a new church. The church was completed, and October 3, 1973, was the date of the Dedication and Homecoming Day. The new property included the location of a fellowship hall building to be used for church and related community activities.

Reverend Henry L. Copeland, Sr., was called in December, 1975, to the pastoral ministry of Bells Baptist Church. He ws ordained by the church on January 7, 1976, and serves at the present time. Bells Church Cemetery was re-located in June 1976. The new cemetery location is approximately 1½ miles north of the church site.

HISTORY OF CEDAR FORK BAPTIST CHURCH
(condensed)

Early rules of Cedar Fork Church sometimes reflect the severe practices of the times. The terminology itself is severe. When one was excluded from membership, the term used in writing of it was "excommunicated." The most bizarre reasons for excommunication were "fiddling and dancing" and "challenging to a duel."

In 1804 the Flat River Association sent three men to assist in the organization of a church. The presbytery appointed by Flat River Association consisted of George Roberts, Isaac Hicks, and Roland Gooch, but only George Roberts and Roland Gooch came to help establish the church. Cedar Fork was organized April 22, 1805. The first pastor was Ezekiel Trice. He served for 33 years. Joseph Barbee and

Thomas Johnson were deacons and 48 other members made a charter membership of 51.

The first conference minutes available are for the meeting of June, 1859, which included an account of the reception of members and the baptism of six.

Cedar Fork Church joined Raleigh Association in 1811, but left it to join Mt. Zion Association in 1870.

Land for the first church building was donated by Joseph Jones in 1814, with Edmund Herndon and John Hill named as the deacons receiving the land for Cedar Fork Church.

During Rev. Christopher Columbus Newton's pastorate there came a severe snow storm so heavy that it caused the rafters to slip out of place. It was necessary to build a new church house.

Rev. A.D. Blackwood was the first pastor on record to receive as much as $100 a year. Rev. C.C. Newton was the only one for the first hundred years to receive as much as $200 a year.

An account of a baptism in August, 1860 is given. Little mention of the Civil War is made.

Minutes of July conference, 1861, read, "By request of Brother H. Weatherspoon, the church granted leave to the trustees of Cedar Fork Academy to build an Academy on the land belonging to the church...."

In the conference of 1862 a collection was taken up for colportage among the soldiers. It amounted to $66.05. In 1863 the church agreed to release Brother Blackwood to preach to the soldiers whenever he wanted to and to pay his expenses when he was thus engaged.

In the meeting of October, 1866, the church accepted the invitation of Thos. W. Young and other brothers to send a delegation to meet them with a view to constituting a church at their new meeting house near Morrisville on October 12, 1866.

In 1867 a committee met with some who had been black members of Cedar Fork to consider what relationship to continue with them. It was decided to dissolve the relationship. In the first building, however, there was a gallery for the Negroes.

In the conference of November, 1883, we are told, "On motion the sisters of the church have an opportunity to organize a Missionary Society."

The church in its early years was concerned with the behavior of its members. It was reported that at the conference of April, 1884, a committee of five was appointed in addition to the deacons to investigate a rumor that church members were being implicated in running illicit distilleries. In the conference of July, 1884, instead of having a report of the committee investigating the dealing in distilleries, a committee of one, the pastor, was made to hear confessions of guilty parties. At the conference August, 1884, the pastor reported that he had thoroughly investigated the rumor, and that he was satisfied that the rumor was unfounded. Accordingly, the church, by a vote, exonerated the accused brethren from all censure and blame.

In October, 1884, on a Sunday there was a called meeting and the pastor W.B. Scott and P.H. Barbee were appointed delegates to the Baptist State Convention to be held in Raleigh. The church raised $5 to defray the expenses.

Plans for a new church building were discussed in the conference of July, 1885. Cost was estimated at about $1,000. Immediately there was raised by subscription $348 for that project. A committee was appointed to solicit aid. Saturday afternoon before first Sunday in August, 1885, there was called a meeting to get aid for the building and construction.

At a conference of September, 1893, W.S. Olive was called indefinitely to serve at a salary of $150 for the year. At the November 1894 meeting a committee of seven was appointed to ascertain how much each member would give for Missions.

On April 22, 1905 the church celebrated its 100th anniversary.

In 1913 Dr. L.E.M. Freeman was called to be pastor. He served 19 years. During this time he stressed missions and played a large part in Cedar Fork becoming a missionary-minded church.

In 1929 a frame building on Highway 10, now Highway 70 was moved across the road to a safer location as one member had been hurt while crossing the road.

In 1928 the rotation of deacons was begun.

On November 23, 1931, during a severe thunderstorm, lightning struck the church and burned it to the ground. A committee was appointed to collect funds to rebuild. In three months' time the new building was completed. Not a single service was missed.

In 1934 the first Bible study was established for the church.

In 1937 plans were made to build Sunday School rooms.

In 1948 Cedar Fork joined the Yates Association.

During the pastorate of Dr. R.L. Holt the idea was presented to build a parsonage. Brother H.H. Green and C.B. Green gave land. In 1951 Rev. E. Weldon Johnson accepted a call to the church and was the first pastor to live in the new parsonage. In 1956 a great need for an educational building was felt. the building was dedicated in 1959.

Some of our more recent pastors have been J. Carlton Duke who resigned to become a missionary in 1963, Rev. C.W. Thompson, Rev. Louis T. Stokes, and Rev. Pat Collins, and our church is presently served by Rev. Don B. Brown.

"Onward even Onward" is our motto, as times change and new ideas come and go. We seek to serve the living God in an "alive" world.

REPORT OF THE ASSOCIATION BOARD

The Associational Board is responsible to "act for the Association in the interim between sessions" and to "make a full and complete report of its work at each annual meeting." In fulfilling its responsibility, the Board held four meetings during the interim and took action as follows.

November 8, 1977, a Board meeting was held with the Lakewood Church with 47 persons in attendance. Eight organizational reports were heard which included the following recommendation and subsequent action by the Board.

Retiring chairman of the Camp Committee, A.B. Stone, Jr., reported an offer by the State Highway Department to pay the Association $1200 for .83 acres of land at the Camp adjacent to the existing highway right-of-way, to remove the old road thereon and to extend the access road to the new highway under construction. It was approved.

February 21, 1978, A Board meeting was held with the Westwood Church with 41 persons in attendance. Ten organizational reports were heard which included the following recommendations and subsequent action by the Board.

Upon recommendation of the Finance Committee, C.B. Tart, Jr., chairman, the 1978 Associational Budget was revised, as required in the By-Laws, to comply with the commitments from the churches. The following changes were approved by the Board—

1. that the item for bond retirement be reduced from $9,300 to $5,300;
2. that the item for printing be reduced from $1,700 to $700;
3. that photo-offset equipment and master maker be purchased for $7,050;
4. that this amount ($7,050) be borrowed from budget reserve funds;
5. that this amount be returned monthly from the budget equipment item;
6. that the total 1978 Budget be reduced from $77,360 to $72,360.

The following organizational directors were elected as they were nominated by the Nominations Committee; Johnny Ross (S.S.), Floyd Rhodes (C.T.), J. Edwin Couch (Brotherhood), Hugh O'Shields (Music), and Mrs. Wilson Crabtree (TACMO). Also, Rev. Robert Hubbard was elected to replace Mrs. Harold Wicks on the Community Ministries Committee.

The following two recommendations from the Camp Committee, George Love Jr., chairman, were approved:

1. that the trustees be instructed to accept the offer of $1,500 per acre for 39.79 acres of camp property, a total of $59,685, and that the land be deeded to the U.S. Corp of Engineers on or after April 1, 1978, and
2. that the Association lend $1,500, as needed, to the Camp to make capital

improvements (necessary roadway to creek before land is sold).

Additional action by the Board at this meeting included authorization of the Moderator, upon recommendation of the Executive Committee, to appoint a Retirement Recognitions Committee of five to lead in appropriate recognitions of the Director of Missions and of the Office Assistant upon their announced retirements. Action also was taken, on recommendation from the Director of Missions, to adopt certain resolutions pertaining to "Faithfulness of Workers of Yates Association" for incorporation in the Associational By-Laws, subject to action of the Association in Annual Session. Further action was taken calling for a Board meeting to be held on March 28, 1978, at Ephesus Church.

March 28, 1978, a Board meeting was held with the Ephesus Church with 54 persons in attendance. The Moderator appointed to the Retirement Recognitions Committee, as required by action of the February Board meeting, Rev. Crate Jones, chairman, John Clayton, Charlie Council, Mrs. W.A. Godwin and Mrs. Helena Kyle.

Six organizational reports were heard with recommendations from the Camp Committee approved as follows:

1. The Camp Committee recommends to the Board that it accept the offer of the cabins and meathouse at the former residence of Matthew Tyson Yates in Wake County, on the Carpenter property, and accept responsibility of removal of said buildings within 60 days of authorization, and restoration within two years.

2. The Camp Committee recommends to the Board that it elect a committee to authenticate these buildings and that this committee be composed of Rev. James Murphy, chairman, Rev. Robert Winecoff and Rev. Ronald Cumbie.

On recommendation from the Nominations Committee, H. Brevard Brown was elected Director of Church Training to replace Floyd Rhodes, who requested that he be released from this responsibility. The Board further authroized the Executive Committee to take any necessary action in adjusting compensation for the position of Office Assistant in cooperation with the Personnel Committee in filling this position and upon recommendation from the Finance Committee. In other action the Finance Committee was authorized to apply to the State Convention for $1,200 to apply to the pastor's salary on behalf of the Fieldcrest Church.

May 8, 1978, a Board meeting was held with the Angier Avenue Church without an attendance count but with excellent response from the churches upon request of the Future Development Committee for opportunity to present an extended report for group study and reaction. Five other organizational reports were heard briefly. The Nominating Committee Report for the year 1978—1979 was adopted and the leadership elected, subject to their election at the Annual Sessions.

A period of special recognition of Mrs. Emily Warren, retiring Office Assistant, was held in her honour at which time a plaque from the Associational Office and a love offering from the churches were presented her by Recognitions Committee chairman, Crate Jones, in appreciation of her years of service to the Association.

A five-group study of the Future Development Committee Report and general reaction session following provided input for the Committee in drafting its final report to be presented to the Annual Session in October.

October 10, 1978, a Board meeting was held with the Mt. Moriah Church with 38 persons present. No official actions were taken except the setting of a regular Board meeting for November 7, 1978. The Moderator announced the appointment of a Search Committee by the Executive Committee, which committee has responsibility "to employ, with the approval of the Associational Board, a Director of Missions" to succeed the present Director upon his retirement in February, 1979. The following are members of the Search Committee:

Vice Moderator Talmadge Lassiter, Chairman;
Community Missions Chairman Bruce C. Little, Vice Chairman;
Missions Chairman Pastor Richard Shaw;
Finance Chairman C.B. Tart;
Future Development Chairman Mrs. L.D. Harward, Jr.;
Evangelism Chairman Pastor Julius Lee;

Treasurer Mrs. W.A. Godwin;
Pastor Robert Winecoff;
Pastor Russell Wimmer; and
Moderator Julian Motley (Ex Officio).

REPORT OF THE SUNDAY SCHOOL

The Yates Association Sunday School Council scheduled four major events during 1977-'78 to assist church leaders in the Yates Association to be more effective in reaching and teaching more people for Christ through the Sunday School.

Central Training School—The new Teaching books were taught at Guess Road Baptist Church on Friday, March 10, from 7:00—11:00 p.m. Some 21 of our churches were represented by 117 people. In addition, the new video tapes produced by the Sunday School Board were shown to every age group.

Vacation Bible School Clinic— —On Tuesday, April 11, two sessions were held to instruct Vacation Bible School workers in our churches. We involved 148 people from 29 of our churches.

Pastor-Staff-S. S. Director Workshop—Dr. Warren Mallard of Charlotte led a Sunday School preview/planning meeting for pastors, staff personnel, and S.S. Directors in our association at Grey Stone Church on May 22. Seventy—eight people from 28 churches participated in this dinner meeting.

Sunday School Leadership Night—The final major event was held on September 12, 1978 at Angier Avenue Church as a spring board for the new church year. Our best attendance for the year was recorded with 225 people learning how to plan, administer, and teach more effectively. Twenty-eight churches participated in this conference.

In addition to these major events we were fortunate to have Dr. Lee Porter from the Sunday School Board at Braggtown on June 2 for a youth/adult curriculum workshop. Dr. Porter spent most of his time comparing and contrasting the three curriculum lines which are now available for youth and adults to study—Life and Work, Convention Uniform and Bible Book.

A high point for our association was the Key Leadership Conference on August 28. The Sunday School meeting was well attended with 37 people, representing 25 churches, learning how the Sunday School may be used to help us achieve the goals of Bold Missions.

In conclusion, it is our prayer that more individuals and churches will catch a vision of how the Sunday School can be used to reach more men, women, and children for Jesus Christ and then to help churches do a better job of teaching the biblical revelation so that more individuals will be brought to a human/divine encounter.

Johnny E. Ross

REPORT OF CHURCH TRAINING

As was noted in our report last year, Church Training has a long way to go yet to begin to reach the days it once knew. However, it is this very challenge that has made many of us interested in its revival. We feel that there is a place and need for the training and "equipping" of our church members now, more than ever before.

It was my privilige to be the "official host" for Dr. Grady C. Cothen, president of the Sunday School Board, when he visited our association in May. On trips to and from the airport, we discussed what has happened to Training Union and Church Training in the past several years. He concurred with my opinion that after trying many innovations, Church Training has gone "full circle," and is now back to some of the basics that worked so well a few years ago.

I attended a leadership conference at Ridgecrest in the summer of 1977, in preparation for working with the Yates Associational Church Training program for the 1977-78 year. Brevard Brown, incoming director, attended the Key Leaders

Conference May 15-17 at Ridgecrest.

After several years of dreaming, planning and praying, our "Training Extravaganza was held May 1 and 2 at Grace Baptist Church. Dr. Grady C. Cothen, Dr. Roy T. Edgemon, director of the Church Training Department of the Baptist Sunday School Board, Dr. Randall Lolley, president of Southeastern Seminary, Roy Smith, Assistant General Secretary-Treasurer of our State Convention, and Maurice Cooper of the State Church Training and Ministries Department were among the top personnel participating.

Our Key Leadership Conference was held on August 28 at Grey Stone Baptist Church. Brevard Brown conducted the conference for Church Training leadership. Twelve churches were represented.

Respectfully submitted,
Floyd Rhodes, Jr., Director

REPORT OF THE WOMAN'S MISSIONARY UNION

During this period of emphasis in Bold Missions the Associational Woman's Missionary Union has been trying to encourage missionary education to develop missionary concern, and to express Christian love through various activities.

To encourage missionary education, a leadership conference was held at University Church, providing training for all leaders in local church W. M. U.'s. Baptist Women's Day of Prayer for Christians in all parts of the world was held in cooperation with the black Baptist women in our area on November 6.

We have ministered to various groups. Homemade cookies and candy were sent to the women at the N. C. Correctional Center for Women at Christmas. We also continued our ministries at Murdoch and our associational food pantry.

Several activities were planned for our youth and other age levels. Our Baptist Women enjoyed carrying their pastor to a Pastor's Appreciation Dinner. The GA's and Acteens participated in an Associational Track Meet.

We see several needs in the area of W. M. U. in our churches. We need committed leaders at all age levels. We need more young women and girls and this will happen only when we have more leaders. There is a well-trained, dedicated W. M. U. council waiting to help any local church in their W. M. U. work. They would like to visit each and every church in our association as we all strive to be bold in our missionary concern and endeavor.

Respectfully submitted,
Mrs. J. Edwin Couch, Director

REPORT OF THE MUSIC COUNCIL

The following events were sponsored by this council during 1977-78.

Music Directors Fellowship Dinner

On October 24, 1977, the Music Council sponsored a fellowship dinner preceeding the first session of our 1977 Associational Annual Meeting. This meeting was well attended and offered music ministers and directors in our association an excellent opportunity to fellowship and share ideas.

Children's Choir Workers Seminar

This seminar was held at Grace Baptist Church on Saturday, October 29, from 9:00 a. m. to 12:00 noon. Mr. Don Bearfield of Mills Home Baptist Church conducted the seminar. Mr. Bearfield is an outstanding leader in children's choir work and has recently been featured at Ridgecrest Conference Center.

The seminar was designed for workers with preschool 4's and 5's through sixth grade choirs. Several children's choir workers from our association took advantage of this event and as a result were better equipped for their local music ministry.

Area Rehearsal-for State Youth Choir Festival

This event was an effort to encourage participation in the State Youth Choir Festival. The rehearsal included sectional work with all four voice parts led by different music ministers. Carrboro served as the host church for this event.

Choral Clinic for Adult Choirs

This clinic was held on April 16th from 2:00 p. m. to 4:00 p. m. at First Baptist Church. Our guest director for the event was Mr. Charles Storey, Association Director, Church Music Department, Baptist State Convention of N. C. Printed music for this event was made available through the association office at discount rates. A choral worship service was opened to the public at 4:00 p. m. following the clinic.

Associational Music Reference Library

This library was maintained throughout the year by the music council. The library is housed in the associational office and is available during the office hours.

Respectfully submitted,

Larry Dickens, Chairman

REPORT OF THE DEACONS' COMMITTEE

The Deacons' Committee last year had Dr. Nathan Brooks on December 1 and Dr. Cecil Seagle on December 2 for two very good nights. Individuals that attended had two nights of insight and inspiration in the field of Deacon Ministry.

Plans were made for 1978-79 under the leadership of Cecil Vaughan from Durham Memorial. The deacons and deaconesses will have great leadership this year in Cecil.

Respectfully submitted,

Hugh Hicks, Chairman

REPORT OF THE BROTHERHOOD

The 1977-78 church year was not a banner year for the Brotherhood, but it was a good year.

A lot of emphasis was placed on mission education this year. The Baptist Men's Prayer Retreat held in April at the Yates Camp Ground featured presentations by Dr. Ed Kanoy and Crafton Mitchell on their work in the Caribbean and Guatamala respectively. Also many of our churches held rallies to encourage Baptist Men and RA groups to stress mission awareness and involvement.

The RA Track Meet held at Durham Academy was a success again this year and included RA groups from approimately ten churches.

The September Training Conference was held jointly with the W. M. U. at Braggtown this year. This may become an annual joint training sessioin.

The 1978 Associational Crusader Car Competition was held October 21, 1978 at Page Road Baptist Church. This is a favorite event every year for boys and Dads.

In 1978÷79 we will be praying for bold commitments from men in our Association to seek out the real needs in their church community and become seriously involved in meeting these needs. Again mission awareness will be an emphasis in 1978-79.

A few of the men have been involved in working with the Camp Committee to help in restoration of the Matthew T. Yates homeplace. It is hoped that men's groups will adopt this as a project during the coming year.

Respectfully submitted,

J. Edwin Coouch, Director

REPORT OF THE ASSOCIATION CHURCH MEDIA CENTER ORGANIZATION

The Associational Church Media Center Organization met four times during the church year. The first meeting was held at Ridgecrest Baptist Church, November 5. Topics for discussion were "Aids and Lists for Selection of Materials" and "Helps for Cataloging and Organization" led by Mrs. Clara Crabtree.

On February 4, the group met in the Braggtown Church Media Center where those present pooled their ideas for promoting the use of the Media Center within the church.

Mrs. Janie Clements demonstrated techinques for cataloging, processing, and repairing books, and Mrs. Sue Freeman discussed the vertical file when the group met at Carrboro Baptist Church on May 6.

The last meeting was held in the Media Center at Grey Stone Church on August 5. Recruiting and training media assistants was the topic for discussion.

Four meetings have been planned for the new church year. Media directors will receive notices of the meetings.

Respectfully submitted,
Mrs. W. A. Crabtree, Director

REPORT OF THE YOUTH ADVISORY COMMITTEE

The Youth Advisory Council of the Yates Association met bi-monthly during this past year. We had a good time of fellowship and planning with our brothers in Christ.

Our "Big Event" came during the month of April with a **Youth Happening**(Sports Event) at Cresset Baptist Church. We had approximately ten churches participating in the "Happening." That night, the musical group, Genesis,performed in concert at Guess Road Baptist Church. We had approximately twenty churches represented.

Young people are a very important part of our churches. May we continue to remember them in our prayers as our Lord uses them in a grand and glorious way.

Respectfully submitted,
Philip K. Whitt, Chairman

REPORT OF THE CAMP COMMITTEE

Two roads are now being built at the camp and will be completed this year.

The State Department of Transportation has paid $1200.00 for widening Hwy. 98 and the U. S. Corps of Engineers has paid $59,685 for 40 acres more or less for the Falls Lake Project which leaves us about 52 acres.

The Matthew Tyson Yates birthplace and pack house have been moved to the camp and are being rebuilt into a learning center about missionaries.

Our perennial water problems are in the process of solution with the installation of a 10,000 gallon water storage tank and the necessary piping for it.

A. B. Stone, Jr. has worked diligently toward acquisition of the adjacent properties to the east to replace those taken.

The Brotherhood has helped with projects at the camp thanks to Ed Couch.

Fish have been re-stocked in the pond and are growing slowly.

Anticipating construction of the Falls Lake we have a path cleared along the shoreline and a canoe access site prepared and look forward to this being a high point of many trips to the camp. We also have construction drawings prepared for two kinds of overnight camping structures when money is available for construction.

Our Camp Director, Mr. George W. Ray, Sr., and our caretaker, Mrs. George Funderburk, together with the entire committee and many others have helped make this a good year for the camp.

Respectfully submitted,
George C. Love, Chairman

REPORT OF THE FUTURE DEVELOPMENT COMMITTEE

The F. D. C. was instructed to make a study of the Yates Baptist Association, its purpose and goals based upon a motion passed at the May 1977 Board Meeting. The following is the result of that directive.

The F. D. C. has worked diligently during the past year in an effort to determine what course the Yates Association should take in the coming years. As in-depth evaluation of the following areas of study with respect to the association was undertaken by specially appointed sub-committees consisting of laymen and pastors: Population Trends, Community Physical Facilities, Welfare and Social Services Agencies, Courts and Police, Church Data and Trends. With the valuable assistance of Roy Smith, Assistant to Dr. Cecil Ray, interviews were conducted, questionnaires sent out, and hearings held. All the information was gathered and made into a booklet titled "Yates Association Self Study." Every possible effort was undertaken to solicit input from every church.

The findings of the committee were presented on May 9 to the Associational Board meeting at Angier Avenue Baptist Church. Those present were divided into five study groups corresponding to the five previously mentioned sub-committees and analyzed the data presented. The recommendations of these five study groups were presented to the full body and discussed. Everyone was encouraged to add other points they felt worthy of consideration. These recommendations were then listed by the full body according to their priority and the F. D. C. studied them in-depth. A plan of action aimed at bringing these recommendations into reality was formulated.

Based on the preceding explanation of the work of the F. D. C., we submit the following:

Recommendations

1. The association adopt a five-year program of growth and ministry based on the eleven (11) top priority needs.

2. The association elect three Commissions
    (1) Church Development (five pastors-five laity)
        a. Organizational Development-Leadership Training
        b. Evangelism
        c. Family Life Emphasis
    (2) Church Extension (five pastors-seven laity)
        a. New Missions-mission Sunday Schools
        b. Christian Social Ministries
        c. Resort Missions
        d. Catalogue needs/services of the Social Service Administrations
    (3) Fellowship-Mutual Care (five pastors-five laity)
        a. Pastoral Counseling Corps
        b. Associational Recreation Program
        c. Seek more lay involvement
        d. Orientation for new pastors and church staff
        e. Special attention to areas that may feel "Left Out"

3. The association encourage each church to elect commissions corresponding to the association's commissions

4. The chairman of each comission, the moderator and vice moderator comprise a long-range planning committee for the association. This committee shall present an annual report to the association outlining proposed programs of work with a statement of clear, measureable goals.

5. A constitution committee be elected to bring recommended revisions to the association.

6. The association request each church to contribute at least 3% of their regular, undesignated receipts for the support of the association.

7. That the purpose and objectives of the association be clearly stated in Article I of the Constitution.

8. That the Missions Committee and the Long Range Planning Committee conduct an annual evaluation of the association's work with the Director of Missions.

9. That the association seek a Director of Missions who is capable of providing leadership in the priority areas adopted by the association.

10. That the association provide renumeration for the Director of Missions comparable to other associations our size.

Respectfully submitted,
Mrs. L. D. Harward, Jr., Chairman

REPORT OF THE RADIO AND TELEVISION COMMITTEE

The Radio and TV Committee met several times during the year to formulate a program of action that would involve all the churches of the association. Because the music industry is allowing virtually anything on record and because there is no effort to resist the trend toward immoral recording, the committee proposed a plan of action called "Music Awareness." The plan was simple in its approach. Individuals in churches were asked to listen alertly to music being aired on radio. By forming a top 10 list of wholesome songs we would encourage these radio stations to play the better songs. This was to be done by use of cards, letters or phone calls. The approach was designed not to be critical but positive in encouraging good music.

The committee believes that this kind of program is a continuing necessity in our area. Personal involvement in what is happening is our world is necessary if we would shape the things to come.

The committee also discussed other opportunities in the field of radio and television but were not led to pursue any course of action. We wish to encourage the churches to be in touch with the new Christian TV channel which will be seeking to use local churches in periodic local programs.

Respectfully submitted,
W. T. Brogden, Chairman

REPORT OF THE EVANGELISM COMMITTEE

It is wonderful what God is doing through our N. C. State Evangelism Office. A Key Leadership Conference was held at Ridgecrest Baptist Assembly in May. All the areas of our state convention were represented except two. (78 out of 80)

During our meeting we were challenged to set up a local task force using the ratio of eight persons for every one hundred resident members. If this proposal was followed by our churches in this state, we would have 65,000 trained and committed soul winners. If each one of these task force members were to lead one person to Christ in a year, we would more than double our baptisms in North Carolina for the year 1977.

A Key Leadership Conference was held August 28th at Grey Stone Baptist Church with approximately 300 attending. Eighteen churches were represented in the evangelism meeting.

Our Evangelism Committee scheduled a School of Evangelism at Park View Baptist Church on April 6-8. Another School of Evangelism will be held on March 1-3 at Temple Baptist Church.

On August the 18th the N. C. Youth Evangelism Conference was held in Greensboro, N. C. There were about 12,500 people present with Dr. Bill Hogue bringing the message. Approximately 287 souls made decisions.

The North Carolina Evangelism Conference was held in Greensboro during February, 1978. It was very inspirational. There were about 3,500 pastors and visitors attending.

There are tentative plans for a Mini Evangelism Conference next July, 1979, and an area-wide crusade in 1980.

Your Evangelism Committee requests your prayers as we seek God's leadership to help Yates Baptist Association in being a witnessing station for our Lord Jesus Christ until He comes again.

Respectfully submitted,
Julius H. Lee, Chairman

REPORT OF THE INTERFAITH COMMITTEE

An associational conference was planned to provide helps for pastors and laypersons in the area of different faiths. Unfortunately, the leader scheduled was unable to attend and the conference was cancelled.

Information concerning an area-wide cult-awareness conference was mailed to each pastor. This conference was also cancelled. The Baptist State Convention

Office hopes to reschedule this at a later date.

Respectfully submitted,
Aubrey Jones, Chairman

REPORT OF LAUBACH

There were no Laubach training courses held in the past year; one is planned for November 10-11 of this year. We had two people to attend and complete a training course held in Raleigh to prepare them to teach English to speakers of other languages. Our training courses prepare volunteers to tutor non-readers and people who cannot speak the English language. This ministry continues to go forward under the direction of Mrs. Ruby West with the assistance of Mrs. Mary Whaley.

Respectfully submitted,
Mrs. Mary Whaley, Assistant

Our first meeting was held at Angier Avenue Baptist Church on June 17, 1978. Seven (7) persons attended in addition to Mr. Mumford.

The second meeting (orgainzational meeting) was held July 8, 1978 at Grey Stone Baptist Church. Four (4) first-timers were in attendance.

On August 12, 1978, we met at the residence of Bernice Eubanks. Seven (7) new persons attended this meeting.

Respectfully submitted,
Millard Page, President

REPORT OF SINGLES OVER 50

Singles over 50 began the fourth year of activities with a cook-out at Wrightwood Park, where everyone enjoyed hamburgers, hot dogs with all the trimmings and delicious homemade desserts. This group started out as the Singles over 40, but with rapid growth and interest of those 30 to 50 years of age a new group was formed. Our group preferred to use the name Singles over 50. During the year monthly meetings were usually held on the first Saturday for Christian fellowship, fun and good food.

All during the year we have enjoyed such things as homemade ice cream, watermelon slicing, several covered-dish meals, a trip by the members, some who had never visited the Yates Baptist Association Campgrounds, and a very enjoyable chartered bus trip to the Chinqua Penn Plantation.

Membership is open to anyone over 50 years of age who has lost a mate by death or divorce, or is unmarried. Visitors and new members are always welcome. Each member contributes twenty-five cents each meeting to help defray any expenses incurred at the meetings. Notice of the meetings is carried in the NEWS published by the Association monthly. Visitors usually enjoy the Christian fellowship so much they become members. We have approximately 65 to 70 members on the roll.

Officers serving this year are: President, Mrs. Mary M. King; Secretary-Treasurer, Mrs. Gertrude M. Williams; Program Chairperson, Mrs. Pattie Maulden.

Respectfully submitted,
Mrs. Mary M. King, President

REPORT OF SENIOR ADULTS

This is the year in which we have been able to launch a Senior Adult group in our association. The first general meeting was held at First Church on January 16 in the evening.

An organizational meeting was held at Temple Church on February 9. On March 22 another organizational meeting was held at Temple, this time a covered-dish luncheon from 11:30 a. m. to 1:00 p. m. The frequency, time and places of meetings, the number of officers, and several other items of business were all decided.

After covered-dish luncheons on May 11 at Angier Avenue Baptist Church and August 10 at First Baptist Church, and several changes of officers, plans were completed for 1978-79.

An additional treat was offered to the group on October 10 when 58 journeyed by bus to Camp Caraway for the day.

Respectfully submitted,
Mrs. Floyd Rhodes, President

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1977. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

In my opinion, subject to the above qualifications, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1977 on a basis consistent with that of the preceding year.

Respectfully submitted,
Frank D. Nelson, CPA Auditor

REPORT OF THE MISSIONS COMMITTEE

Definite progress was made during the year toward starting a church south of Chapel Hill-Carrboro. Tentative arrangements were made for using a school building initially for Sunday services. It is hoped that services may be started before the first of the year. The committee is continuing communications with the owner of a prospective site.

The committee is still investigating a possible site in the Bahama-Roxboro Road area.

Although the 4½ acres on Garrett Road was initially purchased as a church site, it is no longer needed for that purpose, and the committee is convinced that the property must be kept in our possession. It is centrally located, easily accessible, an ideal property for our office eventually, and also for recreation facilities, outdoor and indoor as well.

The New Life Baptist Church, formerly known as Triangle Fellowship Baptist Church, has requested that they be brought under the watchcare of Yates Association. The request made by the church to the association states: "As a Southern Baptist Church located in Durham County, and desiring the fellowship of sister Southern Baptist Churches of Yates Baptist Association, New Life Baptist Church requests to come under watchcare of the Yates Baptist Association, and to cooperate with guidelines established by the Association in regard to the permanent location of the church."

This committee recommends that the requesting church be brought under watchcare of Yates Baptist Association.

It was brought to the attention of this committee that Mike Arges (member of Park View Baptist Church) has been appointed as Director of Student Ministries at the University of Delaware. The present operating budget of $1,596.00 is underwritten by Delaware Baptist Association and the present salary of $4,200.00 is underwritten by Maryland Baptist State Convention and National Student Ministries.

Additional funds are sought because of needs in transportation, additional salary, and operating expenses. Churches of Yates Baptist Association have been asked to help with this Bold Missions Project.

The Missions Committee recommends to Yates Association that we: (1) look on this venture with favor, (2) recommend this Bold Missions project to the churches, (3) commend those churches that have joined together to provide financial support for this project and encourage others to make this a part of their ministry, (4) strive in the coming year to develop an interrelating ministry with the association in Delaware.

Response to this point has been encouraging. Commitments for around $1,900.00 from now through December have been received with the promise of around $85.00 per month for the coming year. All funds are to be channeled through Park View Baptist Church.

Respectfully submitted,
Richard Shaw, Chairma

REPORT OF THE COMMUNITY MINISTRIES COMMITTEE

The Community Ministries Committee has been involved in several important projects this year.

The "Adopt a Cottage" program at Murdoch Center is progressing slowly, but surely. Unsatisfied with our initial response from our churches, we are in the process of working out a visual presentation (film or slides) to take to individual churches. It is our prayer that when church members can actually see for themselves the great needs of Murdoch, they will be moved to adopt a cottage and help meet some of these needs.

The Committee has also sponsored Drug Abuse workshops in all but a few of our churches. Along the same line, we have encouraged any churches who have not already done so, to provide an opportunity for their members to hear the moving testimony of Mr. Ted Stone which deals with his struggle with drugs.

The future of juvenile offenders has also been a real concern of this committee. Mrs. Geraldine Burt, After Care Specialist for the 14th District Court, Juvenile Division, came to our committee for help. She told us about the great need there was for people in our churches to "adopt" some of these youthful offenders who were returning to their homes in Durham from area training schools. She wanted people who could be friends, tutors, encouragers, etc. for these young people who needed guidance and caring in order to straighten their lives out. The committee sent out inserts for church bulletins describing this ministry and Mrs. Burt has told us that many people responded.

The Mental Health Association of Durham County has sent this committee a letter asking for help from our churches in ministering to Durham County residents at John Umstead Hospital. We hope to respond to this request as soon as we can get the "Adopt a Cottage" program at Murdoch on its feet.

In addition to the other projects mentioned, the committee continues to endorse and encourage all churches to support the Laubach Literacy ministry and the "Concern for Children" (child abuse) ministry.

Finally, let me say that the office of the Assistant Secretary on Alcohol and Drug Abuse of North Carolina would like to encourage churches to provide funds for pastors to receive training in alcohol and drug abuse, so that we may increase our effectiveness in working with substance abuse.

Respectfully submitted,
Bruce C. Little, Chairman

REPORT OF THE RESOLUTIONS COMMITTEE

October 23-24, 1978

Be it resolved that—

We express our grateful appreciation to Rev. Hubert Mumford for the able and dedicated leadership which he has given to the Yates Association during the past 25 years as Director of Missions, and to his wife who has so steadfastly stood by his side in his work. From Psalm 128 we are reminded: "Blessed is the man who feareth the Lord, that walketh in his ways."

We express to the Plainview, Calvary, and Cresset churches our thanks for their hospitality during the 1978 Annual Meeting of the Yates Association, and especially to the Calvary church and Group III for providing the noon meal, this group being made up of Calvary, Cheek Heights, Durham Memorial, Faith, Fieldcrest, First, Gorman, Grace, Holloway Street, Plainview, Red Mountain, and Ridgecrest churches. We commend the special speakers Robert McClernon, Keith Parks, and Rev. Mumford for bringing us messages of challenge and inspiration, and appreciate the music presented by the Cresset Youth Minister and his wife, Mr. and Mrs. Richardson, the music ministers of Yates Association, and the Sanctuary Choir of Yates Church.

We remember with love and appreciation our fellow workers in the Lord who have gone from our midst to their heavenly home during the past Associational year.

We express grateful appreciation to the Moderator Rev. Julian N. Motley for his leadership and gracious conduct of the business of the Yates Association, and commend the clerk of the Association, Mr. John Deeds, for his accurate and faithful recording of the minutes of the Association.

We pledge our support to the incoming officers and committee leadership who will be charged with the work of the Yates Association for the coming year, and pray God's leadership to uphold them.

We affirm our confidence and committment to the Bold Missions effort that is being promoted by the Southern Baptist Convention to reach the world for our Lord Jesus Christ in our century.

Respectfully submitted,
Mrs. John A. Freeman

REPORT OF THE FUTURE DEVELOPMENT PROGRAM

October 24, 1978

Establishment of Committee

The Future Development Committee was instructed to make a study of the Yates Baptist Association, its purposes and goals based upon a motion by the May 1977 Board meeting. The following are the results of that directive.

Committee Make-up

Those serving on the F. D. C. are: Billy R. Garrett, Vance E. Fisher, Floyd Fletcher, Bill Clayton, Doug Porterfield and myself, Judy Harward.

Those serving on sub-committees were: Norman Goss, Curtis Crutchfield, Crate Jones, Bruce Little, Buddy Lynam, Ray Rogers, W. H. Sparrow, Robert Winecoff and Janet Whitaker.

Consultant

The committee was authorized to hire Roy J. Smith, Associate Secretary to Dr. Cecil Ray in the State Baptist Convention office. We are deeply indebted to Roy for his valuable assistance.

Development and Research of Information

Various methods were employed to research our study. Questionnaires were mailed to every church, the executive board and key church leadership concerning the work of the association and their degree of satisfaction with it. Suggestions for improvement were solicited. A hearing was held for personal input concerning the needs of the churches and how the association could help meet these needs.

Sub-committees dealing with Population Trends, Community Physical Facilities, Welfare and Social Services Agencies, Courts and Police, and Church Data and Trends were established and we went out into the community seeking pertinent information. What are the needs of our community and how can the association help meet these needs was our concern.

All the information was gathered, sorted, and made into a booklet titled "**Yates Association Self Study**." The findings of the committee were presented at the May 9, 1978 Association Board meeting. Those present were given copies of the self study booklet and were divided into 5 groups corresponding to the 5 study areas. The groups analyzed the data presented and formulated recommendations to present to the full body and discuss. Everyone was encouraged to add other points they felt worthy of consideration. These recommendations were then prioritized by the full body as the most important needs of the association.

The F. D. C. has, since that time, studied thoroughly these recommendations and have attempted to develop a plan of action aimed at bringing these recommendations into reality. The prioritized needs were presented to pastors and the executive board at the Bold Missions Conference along with recommendations by our committee. I wish to stress the emphasis we placed on input from the people. You told us what you wanted and we sought a way to help you achieve your goals.

Priority Needs of Association

At this time, I wish to give you for your information the list of priority needs in order of their importance as voted on May 9.

Recommendations

The recommendations we are now submitting to you are based on these eleven priority needs of the association. These recommendations are a master plan to bring into reality the goals and objectives established at the May 1977 Board meeting. The priorities fell into three distinct categories, resulting in the three Commissions referred to in item *#1*. You will notice the amount of laity involvement. Equal laity and pastors in the Church Development and Fellowship-Mutual Care Commissions and more laity in the Church Extension Commission. It is the firm and practiced belief of the Future Development Committee and the consistent sentiment of the results of the questionnaires, hearing and May 7 board input that more laity involvement is essential to the success of the Yates Baptist Association in the future. This was the number 6 priority need.

Church Development (read recommendation)

This commission starts at home and addresses itself to the needs within each individual church. This commission's establishment is based on Priorities *#3*, *#5*, and *#1*. It provides leadership training to help the churches do their jobs. It addresses itself to the need for more evangelism emphasis. It answers the plea for a church emphasis on programs for full family development and involvement.

Church Extension

This commission reaches out into the community and addresses itself to the needs of the unchurched in our area. It speaks to Priorities *#8*, *#9*, and *#10*. Attention is given to new areas of population growth. Are we assessible to the people in newly developed areas? Where are people moving and what sections need our witness? Are smaller churches finding themselves unable to meet the increased demands upon them as their community grows? The self-study guide is available to help answer these questions. The needs of the Social Service Administrations should be dealt with and volunteers are desperately needed. What about the child abuser, the child, the alcoholic, the addict, the prisoner, the unwed mother, the wife-beater and the wife? What about John Q. Citizen who needs the gospel in action?

Fellowship-Mutual Care (read recommendations)

This commission addresses itself to priorities #2, #4, #6, and #7. This is where we address our own needs. Our pastors have needs they aren't free to discuss with everyone just as the layman does. Personal problems do not confine themselves to the layman. What about work burdens? It goes with the job, but that doesn't lighten the load. Pastors, laymen, and churches all share in the fact that at times, we need help. We need each other. We need to consider each other's needs. We need to play together and work together, cry together and laugh together. We all need someone to care. All data our committee collected showed a key attitude of and I quote, "they run it and we don't have any part in it.", end of quote. Our needs are not the same and we need someone to help. Small churches-large churches. Let's strengthen our fellowship and expand to meet challenges together.

(2) (read recommendation)

This recommendation addresses priority *#11* and is self-explanatory. What are we going to do with these priorities, how are we going to do it, where are we going to do it, and when will it be done?

(3) (read recommendation)

One person in each church should be designated as the liaison between the church and each commission. This person would keep the local church abreast of the work of the commissions and would input into the commissions for the church.

(4) (read recommendation)

We accomplish what we plan to accomplish. If we have no plans, we have no accomplishments. This committee would replace the Future Development Committee and would work in conjunction with all areas of interest. It would work with the Council and would coordinate programs and plans of our Association. The Future Development Committee places great emphasis on the formation of this committee. This committee speaks to Priority #11.

What we are presenting to you now would require many constitutional changes and a committee to develop the most effective way of handling these changes would be needed.

(6) (read recommendation)

In order to make these priorities a reality, finances are essential. If every church adhered to this recommendation, the association would have an annual budget of about $150,000. We are looking ahead to BOLD ACCOMPLISHMENTS but they will not be possible without BOLD GIVING on the part of our churches. We support what we believe in. The association needs the financial resources to make the goals a reality.

(7) (read recommendation)

This recommendation addresses itself again to Priority *#11* and is self-explanatory.

(8) (read recommendation)

We need to know how well we are fulfilling our goals and objectives and to evaluate our programs. Where are we toward meeting our long range schedules? Do we need to alter our course, reset our priorities or begin anew with some particular area? What's needed today may be needed ten years from now, but then again, it may not. Let's critique ourselves. Jobs are usually done in the given allotment of time. If we have ten weeks to do something, it takes ten weeks to do it, providing we have to report on it in ten weeks. If it takes ten days, the same principle applies.

(9) (read recommendation)

We need a Bold Leader to guide us to our Bold Accomplishments. We'll discuss this more later.

(10) (read recommendation)

We must adequately support our leader. We are asking for a lot. We should be willing to pay for it.

POSITION DESCRIPTION

At the present time, the Yates Baptist Association has no job description pertaining to the Director of Missions. With the retirement of Mr. Hubert Mumford in February and with the establishment of the Search Committee to replace him, the Future Development Committee submits the following Position Description.

CONSTITUTION

Revised 1975

Article I. NAME

This body shall be known as the **Yates Baptist Association** of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and ordely means for the extension of the ministry of the cooperating Baptist Churches in Durham County and adjacent territories which support the programs of the Baptist State Convention and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement from "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz.,repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

Article IV. MEMBERSHIP

HISTORY OF BRAGGTOWN BAPTIST CHURCH

It was a special day when Rev. F.D. Hemphill came into the Braggtown Community in the summer of 1937 bringing enough enthusiam to get a church organized on April 3, 1938 constituting 82 charter members. There were 110 charter members when the membership period ended. Since that date the following ministers have served Braggtown Church: Rev. Fritz Hemphill (1938-43), Rev. Ernest Bailes (1943-50), Rev. J. Marshall Walker (1950-56), Dr. John T. Bunn (1956-61), Rev. William R. Pursell (1962-65), Dr. Sherrill Stevens (1965-71), Rev. Clell Gibson (1972-78). On January 7, 1979 Rev. Carl E. Herweyer came to Braggtown as our minister.

In 1938 Mr. L.G. Holleman was elected as our first choir director and Mrs. Vivian Holleman Perry Hamlet ws elected as the first paid choir director and he also organized the first Brotherhood.

The first unit of the building was used in 1939. The sanctuary was first used in 1949 and the second educational building was finished in April, 1961.

In 1950 Mrs. Nat Hunter was employed as choir director and resigned July, 1959. Then followed Mrs. Norwood, Mr. William Gandy, Mrs. Loris Colclough and a series of others.

Mrs. Nancy Young Noel was employed as the first Educational Director in July,1957. On December 8, 1959 Clarence O'Briant was employed as Educational Director and on June 20, 1964 Thomas Wood Green was employed in that capacity. In December, 1967 Lawrence Bullard followed as part-time director, followed by Douglas West who was employed until October, 1971. From the fall of 1973 until sometime in 1974 Eric and Betty Walters served as directors of youth and Phil Duncan was Minister of Music from July, 1973 to April, 1974. From June, 1974 to January, 1975 Ray Alderson served as Minister of Music and Education. Dennis Grass was employed from April 13, 1975 to October 29, 1978 as Minister of Music and Education and Mrs. Paula Shaw was Director of Youth from May, 1975 through August, 1976.

In the year of 1974 a renovation was executed. The Sanctuary and all of the second floor was renovated. The Fellowship Hall on the third floor was completed and a spacious kitchen was added. An elevator was installed and also a new organ was donated. The Dedication Service was held on September 8, 1974 praising the Lord for this significant milestone in the illustrious history and service of Braggtown Church.

The current statistical information concerning Braggtown Baptist Church includes: Resident membership - 750; Sunday School enrollment - 619; Brotherhod - 25; WMU enrollment - 54 plus 2 Mission Action Sunday Schol classes of about 24 ladies.

The present Minister of Youth is Mark Harper and Bruce Benton is Minister of Music. The Organist is Mrs. Anne Alderson and Pianist is Mrs. Dianne Hill. Mrs. Margaret Donnald is the church secretary. The financial secretary is Crandall Nelson and our present budget is $164,252.00.

HISTORY OF LYSTRA BAPTIST CHURCH

During the late 1840's a young German by the name of Alfred L. Stough was going about this large Methodist community speaking on temperance. An arm of Mount Carmel Church was organized at the "Dodd House" about one mile east of the present site of Lystra and a "Sons of Temperance Society" was formed at the "Cole House" about a mile to the west. In 1850 these two groups decided to build a mutual meeting house and land was obtained in August, 1850. A small wooden frame building was erected in 1851 at the preent site, six miles south of Chapel Hill. The building was not sealed inside, did not have a source of heat, and was without furniture for years.

In November, 1852, Lystra Baptist Church was constituted by Elders mames S. Purefoy, Aaron Jones, and Dr. George W. Purefoy, with Brother Stough was studying, preached and presided at the business meetings for the church until the first pastor, Elder John C. Wilson was called in November, 1953.

There were sixty-five members of the newly organized church;m the Cole House group, 15 from the Dodd House group, and 24 who moved their membership from Mount Carmel.

Lystra joined the Sandy Creek Association in 1853 and from the Associational minutes, Lystra showed a steady growth up to the Civil War years. The records became spotty at this point,and no minutes of the church were preserved from April, 1859 to May, 1866. Whether the church nearly terminated or just did not meet because of the question of slavery and the war is not known.

Lystra became more active in the summer of 1866 and the church began holding conferences again. A new vigilant committee was appointed and the church adopted an ad valorem system of taxation to defray the financial expenses. By the summer of 1867, a Sunday School had been organized.

In the period following the Civil War the black members were not attending and finally in 1870, a large group was granted letters to form their own church. In 1869, Lystra asked for and was granted a letter of dismisal from the Sandy Creek Association in order to help organize a new association, Mt. Zion.

The church at Lystra continued to grow and to take an active part in missions. a W.M.U. was organized in 1886. Church membership had reached 200.

The present church building was erected in 1900 with the educational building being added in the 1950's.

Originally a service was held on one weekend of each month, changed to bi-monthly regularly in 1920's and finally to full time in the early 1950's.

When Yates Association was organized, Lystra was one of its charter members.

Lystra has used student pastors for most of its 127 years, many of whom have gone on to make a name in the missions fields as well as some in the educational field. Several of her own sons have gone into full time service for the Lord.

The church at Lystra maintains a membership of about 200, with one-fourth of these as non-resident members.

Lystra's 127 years have shown a love of, and faith in humanity, a thirst for greater knowledge, and a striving to make Christ real to those within its reaches. This church is still very mission minded with nearly a quarter of its budget going for missions as it continues to serve the spiritual needs of a rural section of northern Chatham County.

AUDITOR REPORT

I have examined the statement of cash receipts and expenditures of the Yates Baptist Association for the calendar year ended December 31, 1978. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances, except that it was not practical to extend my examination of income beyond the recorded receipts.

The Association has elected to prepare its financial statements on the cash basis. Cost and expenditures for equipment, property and improvements have been accounted for in the year paid. Because receivables, liabilities and property owned are not made a part of this financial statement, it is not intended to report on the financial position or results of operation of the Association taken as a whole.

In my opinion, subject to the above qualification, the accompanying statement of cash receipts and expenditures presents fairly the recorded cash transactions of the Yates Baptist Association for the calendar year ended December 31, 1978 on an basis consistent with that of the preceding year.

Frank D. Nelson, CPA
Auditor

Yates Baptist Association is a non-profit religious organization which maintains its records on the cash receipts and disbursements basis. Operating funds for the Association are recieved primarily from contributions made by cooperating churches. Contributions from churches to the operating fund in 1978 amounted to $67,971.14.

The Association owns campgrounds in Wake County, North Carolina. During the year 1978 $1,200.00 was received for the sale of right-of-way for highway development and 39.79 acres of land was sold to U.S. Corps of Engineers for their Falls of the Neuse Dam Project. This land sale which was approved by the Association Board on February 21, 1978 amounted to $59,685.00. There has been no special designation assigned by the Board for use of these funds, therefore they have been recorded as General Fund receipts. During the year $12,282.33 was spent from the General Fund on road development, water tank installation and other camp improvements.

On February 21, 1978, the Association Board voted that a loan be made from the Camp Expansion Fund of office equipment. This loan of $,500.00 is to be repaid to the Camp Expansion Fund from General Fund Budget allocations. The Camp Expansion Fund consists of special designated contributions which have been received and accumulated for use in development and expansion of the Yates Assembly Camp Grounds. The equipment, when purchased was accounted for under General Fund Expenditures. The balance outstanding in this inter-fund loan transaction at December 31, 1978 was $4,500.00.

REPORT OF THE ASSOCIATION BOARD

The Associational Board, in fulfilment of its responsibility to "act for the Association in the interim between sessions," held four meetings during the year. 1979 has been a most significant year in the history of Yates Association due to the retirement of Hubert S. Mumford, Director of Missions, after serving twenty-five years in this position, and the coming of D. Wade Armstrong to assume the position on August first.

On February 2, 1979, the Board through its Retirements Committee recognized the twenty-five-year service of Hubert S. Mumford as Director of Missions in a banquet and program held at the Grey Stone Church. He and Mrs. Mumford were honoured and were presented the gift of a Camper Trailer in appreciation.

In addition to hearing reports of the organizations and committees and to offerings official guidance to the program of the association, the Board took the following actions during the interim.

At the first Board meeting on February 13th at Holloway Street Church, Recommendations from the Executive Committee were adopted, naming Hubert S. Mumford as Emeritus Director of Missions and authorizing the continued payment of his group health insurance through the Convention for the balance of the year 1979. The 1979 Budget was adoted as revised and recommended by the Finance Committee, adjusting the total compensation of the Director of Missions to $28,000 as requested by the Search Committee, and reducing the new equipment item by $2000 to $1700 for the current year. Organizational heads for the 1979-1980 program were named upon recommendation from the Nominations Committee in its report and were tentatively approved. In response to a request from the Christian Life Council of the State Convention, Mr. Robert Goodwin of the Bethesda Church was named to the newly created State Baptist Council on Aging. At this meeting a special session of the Board was authorized to be called on June 19th at the Westwood Church to hear a report and recommendation from the Search Committee.

Historic action was taken on June 19, 1979, in the special meeting held at Westwood Church. Upon recommendation of the Executive Committee and its Search Committee, a Call was extended to Dr. D. Wade Armstrong to become the Director of Missions effective August 1, 1979, at an annual compensation of $29,000 in salary and benefits plus the cost of moving to the Association, the allocation of compensation to be recommended and adopted at the July 10th Board meeting. The Board took this action after having received full information by mail concerning the meeting and the recommendation to be brought from the Executive Committee. Dr. Armstrong was introduced at this meeting and spoke briefly before and following the action of the Board.

The regularly scheduled July 10th meeting was held with the Gorman Church. Routine matters preparatory to the Annual Sessions were considerd, including the announcement of the Lay Leader Committee appointment and a progress report from the Annual Session Program Committee. As required by action at the June 19th meeting, the Director of Missions' compensation was authorized to be budgeted as follows: $12,000 salary; $8,400 housing; auto expense $3,100; retirement $2,900; and, utilities $2,600.

The moderator, in consulation with the Executive Committee, in the February Board Meeting called for the formation of a special council to be responsible for study of the Future Development Committee recommendations adopted by the 1978 Annual Session and to recommend the actions necessary to their final implementation by the Association. The council would consist of the Moderator, Vice Moderator, Parliamentarian, Clerk, Future development Committee Chairman, Constitution Committee Chairman, Trustee Chairman, the Ministers' Conference President and the Director of Missions.

This Council anticipates the leadership of the Director of Missions.

Respectfully submitted,
Julian M. Motley, Moderator

REPORT OF THE BROTHERHOOD

Approximately six years ago, under the leadership of Brother Hubert Mumford, the Brotherhood Council was formed to revive Brotherhood work in the Yates Association. Since then, Baptist Men and Royal Ambassador units have increased in our Association. Had it not been for the visions of Hubert Mumford, this new awareness and involvement may not have taken place. It has been a real pleasure working and planning with him over the years. The Brotherhood Council wishes him well in his retirement.

MIssion education and involvement have been the Brotherhood emphasis again this year. Many of the Baptist Men and R.A. events have stresses mission involvement.

The Baptist Couples' Night featured Mr. and Mrs. Sanford Smith of Greensboro. Mr. Smith is chairman of the Baptist Men's Corp for the State Brotherhood Department and presented a slides presentation on home and overseas mission opportunities for lay people. This was a very interesting program.

Several lay persons in our association have participated in home and overseas missions in places such as the Caribbeans, North Carolina coast, Pennsylvania, Kentucky and Oklahoma. Perhaps this denotes that Baptist are taking the Bold Mission thrust concept seriously.

Our R.A.'s had another successful track meet this year with all first place winners going to the state track meet and competing there.

two of our R.A.'s, Lynn Bates and Darrell Barbee accompanied four other R.A.'s from our state to participate in missions work in Enid, Oklahoma this summer. This involvement included backyard Bible Clubs and the painting of an educational building.

Under the leadership of our R.A. Director, Bryce Bates, at least three R.A. workshops were held at Ephesus, Mt. Hermon and Durham Memorial for establishing or renewing R.A. units in these churches.

The crusade Car Competition for 1979 was held at Carrboro Baptist Church. A mission exhibit was a prerequisite for entering competition.

Again this year our Brotherhood Training workshop was held jointly with the W.M.U. at Trinity Baptist Church. This is an annual event planned in early September to provide opportunity for our churches to send new leaders for training in Baptist Men's and R.A. work for the coming year.

Planning for next year has already taken place with a calendar to be sent to all church Brotherhood leaders.

Respectively submitted,
J. Edwin Couch, Director

REPORT OF THE MUSIC COUNCIL

The Associational Music Council planned and executed two major events this past year. The first was a joint effort with the Associational Youth Council on March 17 when we were able to involve some two to three hundred youth in a fun time of games and group experiences. Following the fun time and interaction of the groups Mr. Dick Milham, Christian Performing Aritst of Orlando. Florida, presented a testimonial-concert.

PraiSing '79 was the second event of the year which involved Adult Choirs from all over the Association on May 11 at First Baptist Church. This was an exciting evening for some twenty churches with two hundred and fifty persons singing. We were privileged to have Mr. Charles Storey, Associate in the Church Music Department of The Baptist State Convention, direct the mass choir numbers.

The council has spent a great deal of time planning the music for the Annual Meeting. Plans for the coming year have been made and the council has already begun work on those plans.

Respectively submitted,
E. Hugh O'Shields, Chairman

REPORT OF THE DEACONS' COMMITTEE

Your Deacon's Committee decided on one major happening this year, rather than three or more small meetings. This happening, happend at Grey Stone Baptist Church on November 3, 1978. Dr. Charles Treadway (the deacon's deacon) from Nashville led the meeting. This meeting was promoted and aimed at Deacons and their work. It was by far, the best attended meeting in years. Most all churches of our association were represented with over 200 deacons present. Thank you for making the work of the deacon's Committee rewarding and a blessing

Respectively submitted,
Cecil Vaughan, Chairman

REPORT OF THE CAMP COMMITTEE

1979 has been a good year for our camp as we have seen much use of the camp and accomplishment of the sale to the goverments of 41 acres more or less for highway widening and lake use. The area of 39.78 acres more or less sold to the U.S. Government is to be a part of the flood stage reservoir for Falls of Neuse and will be turned over to the State of N.C. Parks Dept. for management as a wildlife refuge. We think this usage will be an asset to our camp in the long run.

The one acre sold to the State of N.C. for widening N.C. Hwy. No. 98 will take some of our privacy at the pond and shelter area but with some planting of trees there we can solve this minor problem.

We have a new road graded and rocked and ready to build two new overnight buildings and plans for same awaiting available funds. We have another new roadway extension which will be to the normal water level of the lake and under water at flood stage.

We have our chores awaiting us too. We are preparing to rebuild the Matthew Tyson Yates homeplace and pack house on our prepared site. Our 10,000 gallon water tank is erected and waiting to be hooked up to our wells and lodge building.

We have a circular walking trail nearly a mile long where wild flowers, animals, and birds abound.

When the lake reaches normal water level this will be one of the prettiest walks around.

Our ancient farm tractor needs replacing with a working model and this we hope to accomplish soon.

Our water system is working now and will improve when hooked up to the existing tank.

Our lodge is clean and neat and a pleasure to use and we would encourage more churches to use it more often so that its mission might be fulfilled.

We hope that adjacent properties will become available soon and that this association will be in such a financial position as to be able to go forward and prepare for a great future with this property easily accessible without undue energy expenditure.

Our camp consultant has said that we need one acre per camper and we believe that 100 acres should be our minimum goal. Our experience here also is that these lake front properties this close to Durham will never again be available at today's prices.

Mr. A.B. Stone, Jr. of our Camp Committee has been negotiating with these neighbors for several years.

More people are now interested in Camp ground happenings than ever before and this interest is appreciated.

We have many small chores that volunteers could help with and will be glad to help with them.

With the outstanding committee picked for the coming year we feel that your camp is in good hands and will have a great year.

Respectfully submitted,
George C. Love, Jr., Chairman

REPORT OF THE EVANGELISM COMMITTEE

The challenges of Bold Missions Thrust are in full swing. Your Evangelism Committee has strived and will continue to do so in the future to provide inovative witnessing seminars. Your committee will project simultaneous crusades in the future and shall encourage every church to participates.

The 33rd Statewide Evangelism Conference was held in Fayetteville, N.C., Cumberland Memorial Auditorium on February 5-6 with over 2,500 pastors and guests attending. Yates Baptist Churches were well requested at the N.C. Youth Evangelism Conference in Greensboro on August 18,1979 with over 10,000 youth and adults attending.

A Bold Mission Thrust through local church seminars was taught to Yates Pastors' Conference by Richard Everett, Associate Director of Evangelism, N.C. Baptist State Convention.

As we continue to minister together under the leadership of our Lord, may each church of our association become more involved in our local and foreign fields because the fields are ripe for harvest.

Respectfully submitted,
Julius H. Lee, Chairman

REPORT OF THE YOUTH ADVISORY COMMITTEE

The Youth Advisory Committee of the Yates Association met on selected Monday's during 1978-79 to plan periodic events and emphases for the youth of our churches. In addition to this time was spent in our meetings sharing the problems and victories of our ministries.

Our major emphasis was placed on the Associational Youth Night, March 17, 1979. This event was held at Homestead Heights Baptist Church is conjunction with Youth Week in the individual churches. Dwaine Coley from Grace Baptist led is a time of recreation followed by refreshments and special music provided by Deliverance, a Christian band from Cresset Baptist. Dick Milham, from Orlando, Florida, brought the evening message.

In addition to this major event, other efforts were made in the area of inter-church fellowship among the youth of our Association. Also the Youth Advisory Committee has been working with the Music Council to plan several fall events.

Respectfully submitted,
Mark Harper, Chairman

REPORT OF TACMO

The Associational Church Media Center Organization met four times during the year. The officers met in September to plan the following meetings:

The First meeting was on November 5, 1978 at Durham Memorial Church. The topic for discussion was "Materials: Selecting, Evaluating, and Weeding" led by Mrs. Ethel Crabtree and bibliographies from Ridgecrest were distributed. Twenty people representing ten churches were present.

On March 2 & 3, 1979 a Media Education Workshop was held at Braggtown Baptist Church. John Hack, a church library consultant with the Sunday School Board of the Southern Baptist Convention in Nashville, Tennessee conducted the Friday night and Saturday sessions. He discussed how to use library materials and related equipment in the teaching and learning program of the church. Thirty-eight people from fourteen churches attended this excellent workshop. Miss Hilda Mayo, Director of the Church Media Centers for the Baptist State Convention in Raleigh, came to the opening session.

Mrs. Thelma George demonstrated the care and repair of books when the group met at Park View Church on May 5, 1979. Nineteen people from seven churches were present.

The last meeting was held at First Church on August 4, 1979. Mrs. Ethel Crabtree led a discussion on how to classify books after showing a sound filmstrip on the Dewey Decimal System. Twelve people representing five churches were present.

Response to this point has been encouraging. It is hoped that more of the church library directors will become involved in the TACMO activities during the coming year.

Respectfully submitted,
Mrs. B. Wilson Crabtree

REPORT OF LAUBACH

A Laubach training workshop was held in January with ten completing the course and becoming volunteer tutors. We now have 35 tutors actively working with non-readers. Mrs. Mary Whaley has completed all requirements to become a tutor trainer. A workshop will be held on October 5 and 6 of this year. Another workshop to train volunteers to work with speakers of other languages in learning to speak English is being planned for January, 1980. We will be working with Durham Technical Institute and Operation Breakthrough in training tutors to work with non-readers in their programs. A North Carolina Literacy Council was formed in October of last year of which we are a part. This ministry is continuing to go forward.

Respectfully submitted,
Mrs. Mary Whaley, Assistant

REPORT OF THE COMMUNITY MINISTRIES COMMITTEE

A workshop for Venevolent Committee chairmen was conducted at Grey Stone Church on June 7, 1979, sponsored by the Community Ministries Committee and led by Phil Kimball. The theme of this workshop was coordinating church benevolence with community agencies involved in this ministry.

In cooperation with Social Services and Volunteer Services, we alerted our churches to a program called "Reach Out in Friendship." This program involves group care homes that care for from two to five people who can no longer maintain themselves in their own home. Opportunities to render a Christian service to these people who are often lonely is available to Sunday School classes, WMU groups, and individuals. A detailed list of needs has been sent to Sunday School Directors.

Drug abuse workshops have been held in many of our churches. We encourage churches that have not had a workshop to include one on their calendar for the coming year.

We continue to encourage our churches to become involved in the "Adopt a Cottage" program at Murdoch Center. The needs there are great and through this program we can do much to brighten the lives of those who must life there.

Other programs that need our continued support are juvenile offenders, Laubach literacy, concerns for children (child abuse), alcholics, and the physically handicapped.

Our prayer is that we may lenghten our cords and strenghten our stakes as we seek to bring "Bold Missions Thrust" to our community ministries program.

Respectfully submitted,
W.W. Sprouse, Chairman

REPORT OF THE MISSIONS COMMITTEE

Several churches of the association are continuing their Bold Missions project in the Delaware and adjacent areas. Other churches are urged to support this special Baptist student ministry as opportunities for support develop.

Work is continuing on the problems of the beginning of a new church in the South Chapel Hill-Carrboro suburbs. We are not more cognizant of the magnitude of the tasks ahead. Individual church sponsorship in this area is belived to be inadequate for this project. It is, therefore, recommended that this task be an association-wide challenge and that the association authorize the formation of a new Church Management Group composed of two Baptists in the Chapel Hill Area who will commit themselves to being active members of the new church, two Baptists from the Durham area, and one Baptist from the Chapel Hill-Carrboro area who desires to remain active within his or her own church. These five should be designated as trustees of the new work to receive for Yates Association funds, authorize the purchase of property as designated by the association and to expend funds that are donated. It is not recommended that this project be a Yates Association budget item for 1980 but that volunteer donations be made during the next 12 months.

The adoption of this committee report authorizes the formation of this New Mission Management group and authorizes appeals to individual churches or individuals to support this mission through special gifts. It is understood that the Director of Missions will be an ex-officio member of this official body. The committee proposes the following guidelines for this project:

(1) when a new church has matured, in the opinion of the designated trustees, goverment of the church shall be by the church for the church;

(2) the primary Baptist tent for this mission church is that the church must be the **church of Jesus Christ** made up of regenerated, born again Christians. Ones who have had and continue to have in their own way personal

experience with the living Christ;

(3) the second Baptist tenet is that there shall be no ecclesiastical authority to tell the local congregation or any individual believer how he should believe;

(4) the third Baptist tenet is that the Bible is the resource for both belief and behavior with the Holy Spirit as teacher. Jeremiah wrote "Faith must be written in the fleshy tablets of their heart;"

(5) the fourth tenet is the competency and/or accountability of the individual before God.

Members of the new congregation are expected to aspire to four basic Baptist distinctions.

1. The Bible is the guide for belief and behavior.
2. Priesthood of believers for themselves and others, and autonomy of the local church.
3. Religious liberty.
4. Believer's baptism is not primarily a form but a commitment of the individual to Jesus Christ. Immersion is the best Christian expression of regeneration (burial, resurrection, and conversion).

The New life Baptist Church that came under the Watch Care of the association last October no longer exists as a church. Most who were members have transferred to other churches in the association. A few have transferred to independent churches. It is understood that this was a most helpful Christian maturing experience for those who worshipped together in the New Life Church Fellowship. The will and purpose of our Lord is not easily comprehended but all things work for good for each of us.

Your prayers and your vocal and monetary support of our committee in our Bold Ministires are coveted.

Respectfully submitted,
Billy B. Sparrow, Chairman

REPORT OF SENIOR ADULTS

The Associational Senior Adult group offers a wonderful opportunity for Christian fellowship among the senior adult members of the churches of the Association. Even though the organization is only a year and a half old (organized February, 1978), attendance has increased greatly and many new friendships have been made. Many of the churches do not have senior adult groups and the officers and members of our group are available to assist in any way possible in organizing groups in individual churches.

The Senior Adults meet once a quarter--the second month of the quarter and the second Thursday of the month for a covered-dish luncheon at 11:30 with the program following. In November a musical program with all participating was led by Mel Luther, Minister of Music, First Baptist Church. In February, the meeting was cancelled due to the snow. In May, the meeting was held at the Yates Camp Grounds with George Love giving us the history of the Camp and some of the plans for the future. This was a first-time visit for many of the group. In august, a talent program with several churches participating was led by Hugh O'Shields of the Bethesda Baptist Church.

Several churches had representatives at the three-day Caraway Retreat for the Aging in May led by Ted Williams, the new Director of Aging for the N.C. State Convention. This was an excellent program and we had an opportunity to meet other senior adults from all parts of the State and to learn of their activities.

One of the high-lights of this year was an Associational Senior Adult group sponsorship of a trip in July to the Pennsylvania Dutch Country and a visit to the Kutztown Festival. Forty-seven members of thirteen different churches in the Association made the four-day trip. Robert Goodwin, Vice-President, was coordinator of the trip and everyone had an enjoyable tour. This undertaking was very successful and other trips will probably be planned in the future.

It is felt that the Associational Senior Adult group offers many opportunities for participation in adult ministry, particularly of churches that do not have groups. It is hoped that many more church groups will be organized and that we will be able to minister on a wider basis. The Yates Association group is one of a very small number of groups organized on an associational basis. This was one of the final dreams of Mr. Hubert Mumford before retiring and we thank him for his interest and concern.

The officers are well pleased with the participation this past year and hope more churches will join us in the future.

Respectfully submitted,
Mrs. Floyd Rhodes, Jr., President

REPORT OF SINGLES OVER 50

Singles Over 50 continues to reach persons who are single by choice or by loss of a mate. Our average attendance is around 55. We meet the first Saturday evening of each month. Occasionally we eat out together. We have cookouts, ice cream suppers, covered-dish suppers and have made trips out of town together. Times and plans are announced in the Yates Association newsletter.

Our purpose is to provide fellowship with other Christians. Most church programs are built around families. Singles over 50 is designed to meet special needs of older singles.

We hope all the churches will let their members know through their church newsletter or Sunday bulletins about our meetings.

We invite any Christian single, 50 or over, to visit us on the first Saturday evening of the month.

Respectfully submitted,
Mrs. Darlene Harrill, President

REPORT OF CHURCH TRAINING

Progress is being made in Church Training. New Equipping Center programs are now out from the Convention. These are short-term programs for adults. Representatives from some of the churches met to discuss a few of these programs.

An Associational team had opportunity to meet with one of the churches to share ideas concerning Church Training. Representatives are available to assist any of the churches which would like assistance with current programs of help in starting up a Church Training program.

A highlight of the year was accomplished by Angela Thomas of Durham Memorial Church. She was a state winner in the Children's Memory Work Bible Drill. Bible drilling is an activity which needs more Associational participation.

Respectfully submitted,
Brevard Brown, Director

REPORT OF THE WOMAN'S MISSIONARY UNION

During the past year our Associational W.M.U. has emphasized the theme "If It is to Be, It's Up to Me." The Council has tried to help the women of our churches to learn the "how to" methods to fulfill this emphasis and then provide them with opportunities for carrying out the theme.

"How to" was learned at the Key Leadership Conference and our Leadership Workshop when 150 women completed their manual study. Opportunity for worship was provided by observing Baptist Women's Day of Prayer with the Black women of Durham. Oppoortunities of involvement were provided through participation in the W.M.U. state-wide Central Women's Prison ministry at Christmas, visits to Murdoch Center and providing staples for the Associational food pantry.

Each age-level of our organization held events for leaders and members. These included Baptist Women's Year in the Church Banquet, Baptist Young Women style show, and Acteens - G.A. track meet.

Two major events were the highlight of the year. Our Annual Meeting in April was an inspiration and challenge to each of us as Dubba Kay Hughes, Home Missionary Lawrence Baldridge, and Foreign Missionary William McElrath interpreted our theme. In June we held a special missions banquet where we shared fellowship and information on mission work and study.

Your Associational W.M.U. Council expecially needs your prayers for the immediate future as we seek to find missions-loving women to serve in several of our age-level offices. These vacancies need to be filled so that we will be a complete unit and as such we will be able to guide the women of Yates Association to find their place in God's plan as they learn the true meaning of "If It is to Be, It's Up to Me."

Respectfully submitted,
Mrs. Bryce B. Bates, Director

CONSTITUTION

Revised 1975

Article I. NAME

This body shall be known as the **Yates Baptist Association** of North Carolina.

Article II. PURPOSE

The purpose of this Association shall be to provide a convenient and ordely means for the extension of the ministry of the cooperating Baptist Churches in Durham County and adjacent territories which support the programs of the Baptist State Convention and the Southern Baptist Convention.

Article III. ARTICLES OF FAITH

The confession of faith of this Association shall be the "Baptist Faith and Message" with its five-point statement of the historic Baptist conception of the nature and function of confessions of faith in our religious and denominational life as adopted by the Southern Baptist Convention in 1963 at Kansas City.

(Five-Point Statement from "The Baptist Faith and Message")

(1) That they constitute a concensus of opinion of some Baptist body, large or small, for the general instruction and guidance of our own people and others concerning those articles of the Christian faith which are most surely held among us. They are not intended to add anything to the simple conditions of the salvation revealed in the New Testament, viz.,repentance towards God and faith in Jesus Christ as Savior and Lord.

(2) That we do not regard them as complete statements of our faith, having any quality of finality or infallibility. As in the past so in the future Baptists should hold themselves free to revise their statements of faith as may seem to them wise and expedient at any time.

(3) That any group of Baptists, large or small, have the inherent right to draw up for themselves and publish to the world a confession of their faith whenever they may think it advisable to do so.

(4) That the sole authority for faith and practice among Baptists is the Scriptures of the Old and New Testaments. Confessions are only guides in interpretation, having no authority over the conscience.

(5) That they are statements of religious convictions, drawn from the Scriptures, and are not to be used to hamper freedom of thought or investigation in other realms of life.

DIRECTOR OF MISSIONS ANNUAL REPORT

This is my first full year's report as your Director of Missions, having begu my work with you on August 1, 1979.

EVANGELISM PRIORITIZED

When I was interviewed by the Search Committee, they made sure that understood that they felt the principle interest needed in Yates Associatio was upon evangelism. This coincided with what I believed is the thrust the New Testament Great Commission, and it tied in with my backgroun of early interest in personal witnessing, evangelistic preaching, writing doctrinal thesis on evangelism, directing evangelism for Southern Baptist in California for eight years, and coming from the Gold Coast of Florid where for nine years we had emphasized evangelism in its various aspect

LAY RENEWAL EVANGELISM

My first strategy for trying to help the present churches reach more peopl for Christ was to bring in Harry Williams, Director of Evangelism fro California, Reid Hardin, Director of Lay Renewal Evangelism for the Hom Mission Board, and Dr. David Haney, Director of Lay Renewal Evangelis for the Brotherhood Commission, to acquaint our pastors to a quiet bu elongated approach to building up the spiritual lives of the church people f the purpose of becoming strong personal witnesses.

REFUGEES SPONSORED

To help answer the call of human need of the "boat people" and many other needing a country in which they could live in freedom, all of our churche vere challenged to divide into groups of five to sponsor one refugee family. Eight churches are now sponsoring two families.

PASTOR TO THE PASTORS

t was a privilege to visit with each pastor personally during the past year. God has some great men in them. I count this relationship of high priority or our Associational work. A also had a general meeting with staff persons rom the churches.

OFFICE RENOVATION

Vith the backing of the Finance Committee and the Executive Committee, arpet has been placed throughout the working area of the Associational ffices, and all the interior was painted and refreshed making the building more conductive place in which to do work for our Lord.

New office equipment was purchased including a IBM Electronic ypewriter, a carrousel slide projector, new slide trays, and new dictating quipment.

OUR CAMP

Has been used by 24 churches during the year, and the pastors/wives' etreat was held there. The Matthew T. Yates Log Cabin was erected by ome of the men of the Association. Perhaps greater use needs to be made of ur campground.

SPEAKING ENGAGEMENTS

It was principally a "stay at home year" for me with the privilege of speaking in 38 of our 48 churches and having revivals in four of them. I did attend the Directors of Missions training and sharing session in St. Louis prior to the Southern Baptist Convention, a North Carolina Convention Board Meeting, a New Church Seminar, and the North Carolina Directors of Missions training sessions.

ANNUAL ASSOCIATIONAL EMPHASIS

'What Does Yates Baptist Association Do?" was the theme of our emphasis. Two sets of colored slides with sound track was made available and used by several churches. A bulletin insert answered the above question as follows: nagnifies evangelism; does missions; offers training; kindles fellowship; hannels information; provides services and dispenses news.

NEW CHURCH OFFERINGS

Some churches gave half of their Vacation Bible School mission offering nd some of these churches plus other churches took up the annual ssociational Missions Offering and designated it for new churches.

PRAYER PARTNERS

Pastors are paired with each other twice a year to form mutual prayer support for each other. Also, staff persons are given names of other staff persons with a prayer card design to sit on the desk as a daily reminder. The Association will not move beyond its prayer power.

MINISTERS AND WIVES CHRISTMAS OPEN HOUSE

Davis worked hard, long, but happily in preparing for our first Christmas Open House for all pastors, staff members, and their spouses. About 103 attended.

THE LOSS OF MY WIFE

There is not loss like the loss of a helpmate. The loss of other loved ones can be a fearful thing, such as the loss of your own child, but only those who have lost their wife or husband through death can really appreciate the depths of grief into which I have been plunged.

Davis fought a very courageous battle with perhaps the most painful cancer known. In spite of my loss of her that has caused me such deep pain, I would not call her back to those tortuous months she went through.

As Davis breathed her last, a big tear formed in an eye, and I wiped it away. From here on, all of her other tears have already been wiped away by our blessed God. To Him be the glory!

Now, I'm so conscious of my need of your prayers, support, goodwill, and fellowship. Thank you.

A HISTORY OF THE BEREA BAPTIST CHURCH
1855 - 1980

(It is regretable that few records of historical value of this Church have been preserved. However, we are indebted to the history of the Church which was written for its Centennial in 1955. Also used are the Church minutes and records after that date.)

Berea Baptist Church is located at 5111 Fayetteville Road south of the city of Durham. The Church was founded in 1855 due to the need for a Baptist house of Worship within the community. Truly the Will of God has been carried out in the 125 years that Berea has stood as a "lighthouse by the Fayetteville Road."

In the summer of 1855 a small group of people in the community began holding services under a brush-arbor on the plantation of Coslet M. Herndon. Seeing a spiritual need present, the people prayed for a house of worship and God opened the way. The Rev. George Purifoy was called as the first pastor late in 1855 or early 1856. Under his direction the Church was named "Berea".

The beginnings of Berea Baptist Church are scantly recorded, yet it is known that formal organization by another Baptist Church did not occur until 1858. In that year "Rose of Sherron", now the First Baptist Church of Durham, sent a presbytery to constitute the Church under the leadership of its pastor, Rev. Jesse Howell. The charter members were Coslet M. Herndon and wife; G. S. Shepherd and wife; T. R. Shepherd and wife; Erasmus Pope and wife; Walter Barbee and wife; Howell Pope and Anderson Pope.

Coslet and Margaret Herndon gave "four acres, more or less" of land to the Church in 1856, on which a frame one room meeting house was erected. It was not until March 26, 1880 that a deed was drawn up. In that year there was some talk of the formation of a new county (Durham, which at that time was a part of Orange County) and it was deemed wise to convey a title for the land of Berea Church. The deed was made to the "Deacons and their successors forever." Names appearing on the deed included W. A. Barbee, Erasmus Pope, A. N. Leigh, and William Atkins. The original four acres today is located directly across Fayetteville Road from the Church.

Records indicate that Miss Frances Pope (Mrs. Alfred M. Parrish, 1838-1925) was the first Sunday School teacher. She taught the first lesson using the 20th Chapter of the Gospel of Matthew as her text. The year was 1855, she was 17 years old.

Berea Church became a member of the Raleigh Association at its annual meeting held at Holly Springs in 1861. A membership of 35 white and 9 black (slave) members was reported. The year 1869 was the last year that blacck members were reported to the Association and there were four black members at that time. It is not known when the last black member left the Church, nor whether by death or letter.

On September 23, 1970 Berea was among the 12 churches which met at Mount Moriah Church to organize the Mount Zion Baptist Association. A total of 52 members was reported. The Mount Zion Associational Minutes for 1871 state that every church in the association had a Sunday School. However, it was 1879 before Berea began sending reports on her Sunday School. In that year, William Atkins was Superintendent and 55 members were reported. By 1883 enrollment has grown to 110. In these early years through the turn of the century Sunday School meetings were held only nine months of the year. January through March was too cold and weather was too severe to meet.

Church procedures were different in the early days. The observance of the Lord's Supper was carried out using unleavened bread served from a common plate, and a large glass nearly filled with wine was also passed to each member in order to carry out the service. The Deacons have always assisted the pastor in this ordinance. Another different procedure was Church discipline. From resolutions offered and passed at Associational meetings we know that members could be and were expelled from membership in the Church for various gross sins such as "dancing", "attending a visiting circus", "drinking", "participating in other worldly indulgences", as well as "failure to attend services regularly".

In 1891 Rev. P. H. Massey, a Methodist preacher, was holding services for a small group of Berea members who lived too far away to attend services. This distance was about 7 miles. In that year Rev. Massey delivered an ultimatum: "Either organize a Baptist Church or I am going to get the Methodists down here to organize a church." Sixteen members left Berea by letter to become Charter Members of the Ephesus Baptist Church. A more complete record of this can be found in the Mount Zion Associational Minutes for the year 1936 under the "History of Ephesus Baptist Church."

The present church building, begun in the spring of 1902, was completed and dedicated June 26, 1903. The original building was torn down and this building was erected on the same site. The building was planned by J. A. Barbee who also served as chief carpenter. Other Chief leaders in this building program were Hugh Horner, Bud Barbee, J. A. Fletcher, and Tom Horner. During the process of building, services were held at the Massey Chapel Methodist Church. Also around this time, the Church purchased its first musical instrument. Leta Massey (Williams) was the first organist. The present Church cemetary at Berea was begun in 1906. Mrs. Bud Barbee was the first member to laid to rest in the new cemetary; however prior to this the Church family was invited to use the Herndon family cemetary across the road from the church.

The Church continued to grow and prosper. Four Sunday School rooms were added to the Church in 1923-1925. These rooms were later subdivided to provide more space. In 1929, electric lights were installed in the Church building for the first time under the leadership of Rev. C. H. Norris.

Berea has had a long line of illustrious preachers in the past 125 years. A complete list of pastors has been preserved and is now in the Church records. The first pastor, Rev. George Purifoy, served the Church for two years without pay. The fourth pastor, Rev. Orin Churchill, served the Church for six years without monetary remuneration and ofter had to walk fifteen miles to fill the pulpit. The largest pastorate was held by Elder Matthew S. Ferrell from 1873 to 1886. The second longest pastorates were held by Rev. C. H. Norris from 1928 to 1937 and by Rev. Clarence Williams from 1962 to 1972. Rev. Norris and Rev. C. E. Byrd are the only men who have received two "calls" as pastor of Berea, and each served on two separate occasions. Rev. C. C. Newton, pastor in 1887-1888, later went to Chine as a missionary. He died on a return trip and was buried at sea. Rev. J. W. Davis, pastor in 1941-1942, offered his resignation in order that he could report to the armed services as a Chaplain. Rev. Calvin S. Knight was pastor in 1947 when the Church went full-time. He was the first to actually live on the field and conduct services weekly rather than once a month. Last, but never least, there is one minister who has never served as pastor of Berea but who has been a real minister to this Church in times of crisis. A great vote of thanks goes to Rev. Leo T. Bridgers for his undying dedication and service to Berea.

As the history of Berea Church grew, so did its members. Again the need for space arose and the men of the Church answered the call. This time Genie E. Shepherd, who collected funds, and Garland A. Atkins, who directed construction, lead the Church in a work which resulted in an Education-Recreation building. This work was constructed in 1953 and has served as a blessing to the entire community of faith.

Again in the early 1950's Berea felt the need to branch out once more. At this time plans were made to relocate on land which was given by Roy and Lida Atkins (one-half of the original tract a gift) and by Daniel and Dorothy McDuffie (one-fourth of the land as a gift). However in 1958, the members of Berea adopted a resolution in conference suggesting that Berea Baptist Church remain where it was and that persons who desired to move to the Garrett Road site be awarded all money and assets in the building fund, a piano, and visual aids equipment; and that the cemetary at Berea be opened for use by members of either group. Those who constituted the new church proceeded to build on the property provided by Berea Church and on February 1, 1959 named the Church "Hope Valley". Rev. William L. Pearson left Berea and became their first pastor.

Since that time, men such as Rev. Frank Marshall, Rev. S. H. Roberts, Rev. Clarence Williams, Rev. Herman Goodin, and Rev. Bill Duke have served Berea Baptist Church well, dedicating themselves to the proclaimation of the Gospel and the continuence of the pastoral responsibility of service. In these years there have been numerous efforts at renovation and beautification of the Church building and sanctuary at Berea. In 1963 New stained glass windows were installed in the major building of the church. In 1973 the sanctuary was air conditioned to provide comfort and quiet as a means of enhancing worship. In 1974 the Church purcchased arched pews from Lakewood Baptist Church along with pulpit furniture to enhance the beauty of the stately old sanctuary. At this time, new lighting was also installed. Carpet was placed in the sanctuary in 1974 and Aluminum siding was used to cover the outside of the building in 1978. Truly Berea is blessed with facilities which aide in the priviledge and joy of worship.

Yet landmark advances have also been made in the facilitation of the music-ministry at Berea. A new piano was purchased in 1976 which was an added as well as much needed addition at Berea. Yet the zenith was climaxed when in 1979 the church retired its second organ which was purchased in 1954 with a new larger Conn organ. It was purchased in memory of Geraldine Burchette, a long standing friend of the Church from California.

Not only have great strides and enroads been made in the music-ministry and in renovation. Berea is also proud of the advances it has made in proclaiming the Gospel to other areas of our nation. In 1970, the Church voted to commission Deacon R. J. Rothgeb as a lay-evangelist to use his gifts to reach the lost. Then in 1980 Berea voted to Ordain one of its own, Mr.

Elwood Clayton Massey to the Gospel Ministry. Both of these men have gone on to other areas using their gifts as God has directed them.

Now Berea must turn from looking back at the past 125 years to look forward to a new decade. The coming years hold much promise for the "lighthouse by the Fayetteville Road." Under the leadership of Rev. Donald J. Christian, Berea seeks to grow and develop within the pervasive will of God Almighty. Berea is striving toward directing its members in discipleship training. Berea is pushing for a rebuilding year in its Sunday School, which has always been an important part since its earliest years. Last but surely not least, Berea looks forward to physical growth with the establishment of a building fund for further expansion of educational facilities. Berea hopes to become a new "old Church" renewed in its zeal to become a servant community of a servant Lord.

HISTORY OF MT. PISGAH CHURCH

One hundred seventy-six years ago on August 26th last, the then called **Yates Meeting House**, was constituted with 15 male and 21 female charter members. The current name, Mt. Pisgah Church appears on record as of Feb. 14, 1818 and the record includes Articles of Faith and covenant.

The church was first administered by Elder Robert Daniels as pastor, William Yates as church clerk, and three deacons. Church discipline was an intricate part of each conference, stressing peace, fellowship, obedience and unity of purpose and spirit.

History implies that there was considerabel lay leadership in the young fellowship. The first official pastor, the Rev. Ezekiel Trice, was extended a call in Feb. 1819.

It was during the period beginning in 1833 and under the ministry of the Rev. Patrick Dowd that Matthew T. Yates, son on William Yates, was converted and in 1835 baptized into the fellowship. The Rev. Dowd was apparently a renound influence upon the church until his death in 1867.

Recorded in the minutes is substantial evidence that the church had at least 5 black brethren baptized around 1824 and blacks were retained as members until after the Civil War, at which time they requested assistance from Mt. Pisgah in establishing their own church fellowship.

A Sunday School was approved in 1850 and has remained continuous since. Prayer, emphasized with fasting and a plea for forgiveness of sins, was apparent with the Sunday School throughout the remainder of th 19th century with special emphasis days observed at least annually. Included in the prayer and fasting virgil was a request by the president of the Confederacy for a day of prayer emphasis. Early after the close of the war the church exhibited obedience and submission by adopting the resolution, "Let the Will of the Lord be done."

With the Lord petitioned in prayer for blessings, the young Matthew T. Yates was granted the privilege of exercising his gift and honoring God by being licensed to preach. At a place of solitude and prayer under or near a particular pine it is reported that he communed with his Lord in prayer frequently. A monument dedicated to his memory marks that spot today. After graduation from Wake Forest College he became North Carolina's first Baptist missionary to China. Hence, it was Mt. Pisgah's priviledge in 1949, under the direction of the Rev. C. E. Byrd, to suggest the name (Yates) for the current association when the Mt. Zion Association was mutually divided.

It is apparent that the church has nurtured a missionary and evangelistic zeal throughout its past years by its mission support and the response to the call to the ministry and the mission field by members and pastors. Those responding to the ministrial call from Mt. Pisgah includes M. S. Ferrell, Madison Yates, J. T. Mason, Henry Merritt, Joe Hillard, H. C. Sears, C. A. Upchurch, Emmitt Yates, O. W. Yates, George Howard, C. E. Byrd, Hugh Upchurch, Marvin Yates and missionary Harry Byrd, the son of Rev. C. E. Byrd. Other ministers that once pastored Mt. Pisgah and responded to a call to the foreign mission fields includes Rev. Roy E. Snell and Rev. Edward Laughridge.

It was in 1950 that the Mt. Pisgah Church, situated just off Highway 751 (Old Fayetteville Rd.) on State Road 1739 in Northeast Chatham County, dedicated the fourth church structure at the original site, under the leadership and inspiration of Rev. C. E. Byrd as pastor and his brother, H. U. Byrd as Sunday School director. The new Sanctuary and educational facilities were paid for within two years after errection. In 1956 the church moved forward to errect a 3 bedroom pastorium.

Recorded in the church history are the following pastors, some possible not being recorded, Robert Daniels, Ezekiel Trice, Patrick Dowd, Thomas Freeman, Henry Merritt, Thomas Armstrong, J. P. Mason, W. S. Olive, C. V. Brooks, L. M. Hobbs, W. R. Beech, H. C. Spears, J. T. Bittle, M. A. Pegram, Titus Mills, C. H. Norris, H. A. Morgan, W. L. Powers, C. E. Byrd, Roy E. Snell, Tom Roberts, Eugene Carmichael, Edward Laughridge, Nells Falk and Ferman Matthews. James Crocker now serves the church as pastor.

Respectfully submitted,
Swannie Booth, Church Clerk

CAMP COMMITTEE REPORT

At last our building at the camp is well under way and the larger of the tructures is under roof. This could not have been accomplished without ack-breaking labor of the many men who believe in this camp. We ppreciate them and soon will invite all of you to come and see it.

We told you that our first fixed bid for our water system was over 10,000.00 and George Ray, Sr. is trying hard to get it done for less money.

The corps of Engineers and Continental Can Co. have turned thei adjacent properties over to the N. C. Wildlife Commission for inclusion i their Game-Land program. We feel that this will in the long run be compatible use as the hunting seasons normally will not coincide with ou peak usage.

We still have 2 pedestals ready for placement of building lacking onl water aforementioned and sewer which can be resolved.

I have this spring walked the boundary of our 54 acres and believe it to b some of the most attractivve woods - land anywhere. The line is now marke with white vinyl flagging tape which will last for years.

There are many small projects that could be constructively done b groups, such as R.A. Scouts, or Brotherhoods. Some of these are paintin benches, doors, cleaning growth around pond, building walkways, buildin outdoors benches (we have frames) cleaning undergrowth in wooded areas maintenance of trails, planting grass seed in season and on and on. Ou committee would be glad to help show you where and what to do, and in the end everyone always gets out at least what he puts into each project like this one.

We believe that when the lake is built the use of this camp is to be multiplied and we need to get it ready.

George C. Love, Jr.
Chairman

Furthermore, we ask our Evangelism Committee with the cooperation an help of our Sunday School Council to set the dates for this Evangelism Survey, assign a territory to each participating church, compile th prospect information and send it to the churches by approximately April 1 1981. Seconded, passed.

Don Christian, Chairman of the Finance Committee, reported that th budget sheet presented in October had two budgets - a base budget and a bold budget - a final budget report was to be given at this meeting. An increase of pledges of approximately 20% enable us to leave all organizational and training figures in the budget. Dr. Armstrong spoke discussing his adjustment the first year and wished that we would pray for a better year. He mentioned that some were not comfortable with a goal of thirteen new churches but he did not feel that goal was too high. He stated that as he stressed new churches he was not respecting the present churches. He expressed he appreciated us standing by so faithfully and Davis appreciated you for your prayers, love and friendship.

Talmadge Lassiter, Moderator

BROTHERHOOD REPORT

Many of our Associational men were recognized for the services rendered in their churches on Baptist Men's Day held in January. Some led the services for the day in their church.

Much work is being done by our men in the areas of prison ministry Contact, the Laubach Literacy ministry, Alcoholic ministry and many have volunteered for short term overseas and homeland missions. A great blessing and opportunity is being missed by any churchman who is not aware or has not found the time for missions.

The Royal Ambassador program is still growing. Again we held an Associational RA Track meet in April with winners going on to participate and place high among state RA winners.

A very good fall training program was held at First Baptist in coordination with State Brotherhood leaders to help prepare newly elected officers and reinforce older officers for future work in Yates Association. This was held Sept. 7, 1980.

I hope you will help on praying for our men and boys' work that it may continue to bring glory and honor to our Lord.

Respectfully submitted,

J. Edwin Couch
Brotherhood Director

TACMO

The Associational Church Media Center Organization met four times during the church year. The first meeting was held at Holloway Street Church with Sheila Durham on November 3, 1979. The topic for discussion was how to process books. As assembly line was set up to demonstrate each step in the process of preparing books to circulate. Handbooks and bibliographies were distributed. Seventeen people representing eight churches were present.

On February 2, 1980 the group met at Westwood Church with Margaret Tew. Ethel Crabtree discussed the preparation of catalog cards and the filing rules. Fourteen people from eight churches attended this meeting.

Janie Clements showed the group how to process audiovisual materials at the May 3, 1980 meeting. Nine people from six churches were present.

The last meeting was held at the Yates Association Office on August 2, 1980. Clara Crabtree shared information from Church Library Week at Ridgecrest. Dr. Wade Armstrong discussed the work of the Association through the use of a slide/tape program. Twelve people representing seven churches were in attendance.

The reorganization of the Yatess Office Media Center is underway. During the year the book collection has been inventoried and cataloged. Catalog cards are being prepared for each title. Several new reference books have been added to the collection which now totals 600 books. TACMO's goal is to provide each church with a list of all of the materials available to be used to enrich and support the various church programs.

Respectfully submitted,
Clara J. Crabtree, President

CHURCH TRAINING REPORT

The Equipping Center Training units produced by the Church Training Department of the SBC have been obtained and are in the Association Office for your use. This new training concept was designed as an additional way to accomplish the training function in a church. The literature is undated and samples of various topics are covered with more than one unit of study in each area.

The following are the topics covered by the study units: Evangelism and Missions, Church and Community, Christian Doctrine, Family Life, Leadership, and Christian Growth.

Respectfully submitted,
H. Brevard Brown
Church Training Director

COMMUNITY MINISTRIES COMMITTEE REPORT

Among the priorities established by the Community Ministries Committee at the beginning of this year were the following ministries.

To encourage Associational churches to consider sponsoring refugee families individually or join with another church or churches in this ministry.

Another ministry emphasized this year was adoption of family care homes by WMU, Brotherhood, and Sunday School groups. For this ministry, guidelines from the County Social Services Department were sent to WMU, Sunday School, and Brotherhood Directors.

To assist the Associational Committee, we suggested to our churches that consideration be given to electing a Community Ministries Committee in the local church. In this way, we could more effectively work to develop ministries that are of special interest to individual churches.

While we have not fully realized our goals, we continue to solicit your prayers, support, and cooperation as the new committee begins another year of multiple ministries in our Association.

Respectfully submitted,
W. W. Sprouse, Chairman

1980 REPORT TO THE ASSOCIATION FROM THE EVANGELISM COMMITTEE

The Evangelism Committee has worked under the basic premise that church renewal will come only as we successfully activate the laity in personal evangelism. It is with this idea in mind that we have explored possible ways to assist our church leaders in their effort to arouse an effective response from their people to this biblical mandate.

In an attempt to challenge the pastors to lead their churches in Discipleship Training and getting some definite lay persons involved in personal evangelism, a series of three meetings was scheduled.

The first meeting was scheduled on December 13, 1979, with Dr. Harry Williams, Director of Evangelism for the California State Convention. This was followed by a meeting with Mr. Reid Hardin, Director of Lay Evangelism with our Home Mission Board. Then, February 1-2, 1980, these meetings were climaxed with a retreat for the pastors and their wives in a sharing session with Dr. David Haney, Director of the Lay Evangelism Department of the Brotherhood Commission.

Each of these men shared with our pastors the principles of discipling the laity for evangelism and some suggested plans for putting these principles into action thru Lay Renewal Weekends and a six month extensive program of training that is available to churches called "Journey Into Lifestyle Evangelism and Ministry."

Plans are also underway for a Simultaneous Revival Crusade April 26 - May 3, 1981. At this point 26 of our churches have committed themseles to participate. It is the desire of the Evangelism Committee to have all 48 churches of our association involved in this joint effort as we seek to carry out the intent of Bold Mission Thrust by reaching our city for Christ.

Respectfully submitted,
Carl G. Garner, Chairman

INTER-FAITH WITNESSING COMMITTEE

The Inter-Faith Witnessing Committee, after being inactive for some time, has met and is in the process of trying to determine its future direction. To accomplish this, it has been decided to contact the Home Mission Board for assistance. At the time of this report, that is where the committee stands. We hope to be able in the near future to present a recommendation to the Association for consideration.

Shirley Robertson,
Chairman

REPORT OF LAUBACH

The Laubach program has continued to move forward during the past year. Two workshops were held training 21 tutors to work with adult non-readers. Two workshops were held training 18 tutors to work with speakers of other languages in teaching them the English language. A workshop will be held on October 3 and 4 of this year in training tutors to work with adult non-readers. We have 40 tutors actively working with both adult non-readers and speakers of other languages. We are continuing to work with Durham Technical Institute, Operation Breakthrough, and the Sheltered workshop in training their volunteers. We have also had a call from the progrm coordinator at Duke Hospital to conduct a workshop to train their employees to work with other employees who do not read.

We covet your prayers as we continue to work in this rewarding ministry and hope that more churches will become involved in this program.

Respectfully submitted,
Mrs. Mary E. Whaley

REPORT OF THE MISSIONS COMMITTEE

The Delaware Bold Missions project has been concluded. It is understood hat this effort was most important to the Southern Baptist student ministery in that State.

Work on site selection, church or individual support, and other aspects of he new church in the South Chapel Hill Carrboro area in continuing. The prayers and support of individuals and churches are essential to the success of this critical missions endeavor.

The Committee has attended two worship services with the New Hope Church in east Chapel Hill. The spirit and aspirations of this new church are to be highly commended. Negotiations for a building site near the ntersection of Fearrington Road and Highway 54 are continuing. The Committee, therefore, recommends that the New Hope Baptist Church be eceived into the full fellowship of the Yates Association.

Several individuals continue prison, nursing home, and other group ministries in Bible study and worship services. It is hoped that a small hapel can be erected on the prison grounds in Hillsboro with voluntary gifts. Individuals and churches are encouraged to seek out areas and nstitutions where containing group worship or a Bible study ministry will be supported.

The Field is indeed white unto harvest and our Bold Missions projects in new work must proclaim the wholistic gospel of our Lord.

Respectfully submitted,
Billy S. Sparrow, Chairman

SENIOR ADULTS

This has been another good year for the Yates Associational Senior Adult Group. Several additional churches have participated and this is gratifying. Our aim is to draw senior adults from all the churches in the Association together for Christian fellowship. Most of us are so involved in our own churches that it is impossible to get away to other churches and make new friends - a must in our time of life.

Programs throughout the year have been outstanding. In November, Floyd Rhodes showed slides on "How They Worship" including visits to Oral Roberts University, Temple Square in Salt Lake City, South Dakota Little Chapel in the Hills, Glorieta, Golden Gate Seminary, and a new church in Rohnet Park, California. In February, Mrs. Doris McGee, missionary to Nigeria and a Durham native, told of the work she and her husband had been doing in Nigeria and challenged us to be more aware of missions. In May, Mrs. J. Winston Pearce of Buies Creek spoke on "Opportunities of Senior Adults" suggesting that we had many opportunities to be of service in our churches, as well as in our communities and in all facets of our lives. In August, the meeting was at the Yates Associational Camp Group with our own Rev. Hubert Mumford speaking on "Some Little Known Facts About a Well Known Camp" - an interesting history of the Camp and the dedicated services of individuals who had made the program possible. A delightful musical program by the Rev. and Mrs. Crate Jones and John Laverty added to the program.

If your church has not been participating in the Yates Associational Senior Adult Group, you are invited to become a part of our organization and receive of the blessings we have had of inspiration, fun, and Christian fellowship.

Mrs. Floyd Rhodes, Jr.
President

STUDENT WORK COMMITTEE

Our Student Work Committee has been active this year in several areas of Associational exchange with our Baptist Student Union.

1. The two people who have helped us in our efforts to work with our B.S.U. are Velma Ferrell and Joe Clontz. With these two resource persons we have gained a better understanding of the needs of our Baptist students in the area.

2. One effort to better educate our high school youth abouth the B.S.U. was to sponsor attendance at a fall concert held at Battle House (our B.S.U. at UNC).

3. Our Student Work Committee planned and executed a progressive dinner for our Duke students at interested churches. Velma Ferrell coordinated this effort.

4. We requested a needed budget increase for our B.S.U. organizations in the area.

5. We recognized the need for a consistent effort of the Student Work Committee in aiding our B.S.U. ministers.

6. We recognized the need to expand our work to other campuses in the area such as NCCU, Durham Tech, Durham's new Math and Science Center, etc.

WOMAN'S MISSIONARY UNION REPORT

Have you ever wondered about a Frog? Have you really looked at one close? Ever feel like a Frog? Frogs feel slow, low, ugly, puffy, drooped, pooped. The grog feeling comes when you want to be bright, but feel dumb, when you want to share but are selfish, when you want to be thankful but feel resentment, when you want to be great but are small, when you want to care but are indifferent.

At one time or another each of us has found himself on a lily pad floating down the great river of life. Frightened and disgusted, we are too froggish to budge. Once upon a time there was a frog. But he really wasn't a frog. He was a prince who looked and felt like a frog. A wicked witch had cast a spell on him. Only the kiss of a beautiful maiden could save him. But since when do cute chicks kiss frogs? So there he sat, unkissed prince in frog form. But miracles happen. One day a beautiful maiden grabbed him up and gave him a big smack. Zap! Boom! There he was a handsome prince and you know the rest. They lived happily every after. So what is the task of the church? TO KISS FROGS, pf course.

Kissing the grogs of this world is what the women and girls of Yates Association have been trying to do during this past year. By teaching, learning, sharing, and doing, praying, giving and going we have watched the unlovely "frogs" grow into beautiful princes, children of the King.

Have YOU kissed a frog today?

Respectfully submitted,
Alice Bates,
Associational WMU Director

Two types of reachers: (1) those who have to hurry to find something to say, (2) those who have to hurry because they ave something to say. Preaching is effective when it s a living message to dying men. The preacher must be ilitant, must be bold, and be temperate.

ev. Russell Wimmer, pastor, Immanuel Church, made a eport for the Constitution Committee. The committee grees that certain revisions may be desirable, but due o the fact that new committees will be elected at the nnual meeting in October, it would be undesirable for his committee to attempt any revisions at this time. he committee, therefore, recommends that the Constitu- ion Com. elected at the 1980 annual meeting, review the onstitution and Bylaws as a whole instrument and make heir recommendations for revisions to the Associational oard after due consideration. Move one revision now: hat the Constitution Committee be increased from hree members to five. The recommendation was tabled to e voted on the next day.

Holt said that he had four special gifts: (1) excellent mind, (2) understanding and ability to meet people, (3) sensitivity of the leading of the Holy Spirit, and (4) total dedication and unwillingness to give up. There were 324 baptisms in his church last year, increased church budget to mor than one million dollars, annual school of evangelism of five hundred people from his own church, international school of evangelism trying to reach all the whole world. At 2:00 p.m. in the church parlor he will speak on things in his church.

Dr. Bennett said that evangelism must be primary and not secondary, and must be a major and not a minor requirement and not an elective. The pastor and the staff must see that evangelism is put at the forefront and refuse to see it sacrificed for anything. What is personal evangelism? New Testament states that it is the compassion sharing the good new of Jesus Christ in the power of the Holy Spirit in order for lost men to repent. Personal evangelism needs a preeminent place in your church and my church. Personal evangelis with a preeminent place in the local church gains the sinner and saves a soul from death. It grows the saint found nothing that would compare to growing people. Whe a person begins to share his faith, it will force him t his knees. It will force you to read the Bible to get some answers--because he will search his soul to see if he has eternal life. Everything in your church all come back to evangelism. Personal evangelism should be preemptory as it glorifies Jesus as nothing else in the wor

ev. James West, pastor, Calvary Church, introduced r. Mark Corts who spoke on "Discipling in Evangelism ccording to Me and My Church." His text was taken rom Mark 10:35. The reason we have failed to win eople to Jesus Christ is that the Russians have stolen ur thunder of evangelism. We have failed to reach the orld for God--premise of message.
1) God's method is always meant,
2) God's plan is always multiplication,
3) God's objective is always the church. We are so subtle that we are not doing the job,
4) Jesus principle. If we involve the source we need to illustrate the principle.

Major Lassiter introduced Dr. Mark Corts, Calvary Baptist Church of Winston-Salem, who brought the message on "Witnessing in Evangelism According to Me and My Church." His premise--How and why must we win the world. First answer: indebtedness (Romans) --as we individual believers are indebted to the world, we need to reach the world for Jesus Christ, because God has given us eternal life. Let's mobilize to evangelize the world. Secondly, the pastor is not the only one that is a soul winner. In discipline there is strength; prioritize your time. We must pay our debts or pass our debts to all people. Third, the voice of God. In verse 18 underline the ministry performed by Christ which he has committed to us. Verse 20, "Be ye reconciled," hear God's voice to us to preach to the people. Fourth, lack aggressive evangelism as we are told to speak for Christ when they have not heard the voice yet. The reason we must force the gospel on people. We must live Christ for people to see us live in Christ. The picture in John 15 is a picture of fruit. God has not called us to be fruit pickers but fruit bearers. We have become too involved with maintenance. God has put into every church precisely what it needs. We need a change in attitude. We have not developed the attitude of going in our churches. I am planning to go but willing to stay. We are placed to be God's watchman of the lost. God has not called us to be successful but to be faithful. We are not responsible for the people who do not respond.

t. Smith, Arkansas, brought a message, "Witnessing
Evangelism According to Me and My Church." He
elieves we are living in a golden age for evangelism

and that this generation is more acceptable to the changes and hearing the word of God. The hope of the church is obedience to the committed of the Lord. Take the evangelism back 2000 years to the New Testament and see the way they did it.

(1) The resistance they encountered,
(2) Results they experienced,
(3) Reason they excelled. Ordinary people with extra-ordinary obedience and faithfulness and extra-ordinary power.
    (a) they knew Jesus in an extra-ordinary way,
    (b) not just saved but filled with power from the Holy Spirit,
    (c) conquered their fears,
    (d) willing to suffer in order to witness,
    (e) they believed every redeemed man was an evangelist.

The people will lose the gospel if they lose evangelism.
